***Crimson Snow* Jan 20 2020 Mystery crime fiction written in the Golden Age of Murder "Edwards's second winter-themed anthology in the British Library Crime Classics series is a standout. As in the most successful of such volumes, the editor's expertise results in a selection of unusual suspects, expanding readers' knowledge." —Publishers Weekly **STARRED** review *Crimson Snow* brings together a dozen vintage crime stories set in winter. Welcome to a world of Father Christmases behaving oddly, a famous fictional detective in a Yuletide drama, mysterious tracks in the snow, and some very unpleasant carol singers. There's no denying that the supposed season of goodwill is a time of year that lends itself to detective fiction. On a cold night, it's tempting to curl up by the fireside with a good mystery. And more than that, claustrophobic**

house parties, with people cooped up with long-estranged relatives, can provide plenty of motives for murder. Including forgotten stories by major writers such as Margery Allingham, as well as classic tales by less familiar crime novelists, each story in this selection is introduced by the leading expert on classic crime, Martin Edwards. The resulting volume is an entertaining and atmospheric compendium of wintry delights.

The Cross and Salvation (Hardcover) May 24 2020
With America's confidence in the Bible at an all-time low and the strength of her spiritual convictions waning, it is essential for Christians—especially Christian leaders—to be well-grounded in biblical theology. To have a clear and comprehensive understanding of the key doctrines of evangelicalism. In response, professor and award-winning author Bruce Demarest has made plain God's glorious plan of salvation, his provision for the human dilemma through Christ's work on the cross, and the application of saving grace to unbelievers. Demarest's unique approach defines each topic, identifies its most pressing issues, examines the ways in which the doctrine has been understood historically, and interprets the Bible's revelation. The result is a clear and carefully constructed doctrinal statement that you

can defend, live out, and communicate to others. This singular, comprehensive treatment of one of Christianity's essential doctrines gives definitive, Bible-based answers about salvation and the cross—and about related theological issues such as grace and regeneration. It's perfect for clarifying your theology and gaining deep understanding of this foundational theme. Part of the Foundations of Evangelical Theology series.

Revelation Jan 24 2023 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

And Ye Shall Be as Gods Dec 23 2022 Who is

responsible? In his quest to find the author of his beloved little-sister's retreat from the world into darkness and despair, Jacob Kazmareck must confront evils past and present. From his abandoned career as a public defender, to teaching high school in the wilds of the South Bronx, he finally finds his way home to the border city of his youth. There, he discovers a curious connection between the devils that hound his dear sister and his lost love. To his astonishment, he finds that he must recognize that the evil he seeks resides nowhere but in himself.

My Bones Waxed Old Apr 15 2022 In My Bones Waxed Old the third book in the Roaring All the Day Long series Prophetess O.W. Petcoff continues to explore Psalms 32:3, which reads, "When I kept silence, my bones waxed old through my roaring all the day long." In this book Prophetess Petcoff discusses spiritual osteoporosis and how to repair dry, brittle bones in our spiritual bodies. Through the Roaring series, Prophetess Petcoff presents a microscopic view of Psalms 32:3 and explores the silencing or constraint of a gift or calling. This series offers comprehensive spiritual insight and revelatory intricacies surrounding some causes of spiritual repression, frustration and stagnation particularly in the lives of Prophetic People. Gleaning from divine revelation and personal experiences, Prophetess Petcoff places the reader on the path to spiritual release. Via the pages of these books, the reader will journey into prophetic whens, through the silence of the limbs, beyond spiritual

osteoporosis, past the roaring roses and, ultimately, into the place of his or her Prophetic Destiny.

The First Book of Moses, Called Genesis Oct 21 2022 Hailed as "the most radical repackaging of the Bible since Gutenberg", these Pocket Canons give an up-close look at each book of the Bible.

Zutot 2002 Oct 09 2021 The yearbook Zutot serves as a platform for small but incisive contributions, and provides them with a distinct context. The substance of these contributions is derived from larger perspectives and, though not always presented in an exhaustive way, will have an impact on contemporary discussions.

The Revised Standard Version Bible with Apocrypha Aug 07 2021 The first major translation of the Christian Scriptures from the original languages to be undertaken since the King James Version (1611), the Revised Standard Version Bible debuted in 1952 to widespread acclaim. It was subsequently adopted by a spectrum of denominations the world over for use as a text in both public worship and private devotional settings. The RSV dramatically shaped the course of English Bible translation work in the latter half of the Twentieth Century. It remains the Bible of choice for many people.

The Gospel According to Matthew Nov 22 2022 The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

You Shall Be as Gods Feb 25 2023 From the social philosopher and New York Times-bestselling author of **The Sane Society: An analysis of the Old Testament as a revolutionary humanist work.** The Old Testament is one of the most carefully studied books in the world's history. It is also one of the most misunderstood. This founding text of the world's three largest religions is also, Erich Fromm argues, an impressive radical humanist text. He sees the stories of mankind's transition from divided clans to united brotherhood as a tribute to the human power to overcome. Filled with hopeful symbolism, **You Shall Be As Gods** shows how the Old Testament and its tradition is an inspiring ode to human potential. This ebook features an illustrated biography of Erich Fromm including rare images and never-before-seen documents from the author's estate.

***Gospel Principles* Sep 08 2021** A Study Guide and a Teacher's Manual **Gospel Principles** was written both as a personal study guide and as a teacher's manual. As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find answers to

life's questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith.

***History of the Sierra Club, 1892-1926* Mar 22 2020**

To Be As God Nov 10 2021 This monumental work is a series of essays on the influential thinkers and ideas in modern times. The author begins with De Sade, who self-consciously broke with any Christian basis for morality and law. Enlightenment thinking began with nature as the only reality, and Christianity was reduced to one option among many. It was then, in turn, attacked as anti-democratic and anti-freedom for its dogmatic assertion of the supernatural. Literary figures such as Shelly, Byron, Whitman, and more are also examined, for the Enlightenment presented both the intellectual and the artist as replacement for the theologian and his church. Ideas, such as "the spirit of the age," truth, reason, Romanticism, persona, and Gnosticism are related to the desire to negate God and Christian ethics. Reading this book will help you understand the need to avoid the syncretistic blending of humanistic philosophy with the Christian faith.
