The Business Briefings series offers authoritative introductory textbooks in core business topics. Covering the basics and providing springboards to further study, the books take a no-nonsense, practical approach, and are ideal as accessible introductions or as revision guides. This book covers the essentials of management accounting, providing students with a clear and succinct overview of the topic. It has been carefully developed to cover the key subjects including direct and indirect costing, ABC, marginal and standard costing, and budgetary control. This is an ideal guide for students coming to the subject for the first time, or for those seeking a quick refresher. Key benefits: - Concise yet authoritative - Ideal as an introduction or revision guide - Includes answers to revision questions

FIA - FFA Financial Accounting (ACCA F3) Study Text Accounting 3e provides a very accessible and easy-to-follow introduction to accounting. It is intended as a core textbook for students studying accounting for the first time: either those following an undergraduate degree in a business school, or non-business studies students studying an accounting course. This includes students on both accounting and non-accounting degrees and also MBA students. Designed to be both engaging and accessible to the student, Accounting 3e features: A lively presentational style integrating cartoons and soundbites ‘Company Camera’ boxes presenting financial data from a wide variety of international companies, such as Heineken, Nokia and Volkswagen. ‘Real Life Nuggets’ offering contemporary examples from the business press that give the body of the text a real-life resonance. End of chapter questions of escalating difficulty, together with accompanying answers, enabling the student to develop their understanding of the key concepts discussed in the text. A rich supporting website including solutions, extra question material and powerpoint slides for lecturers, multiple choice quizzes and an online glossary for students. Unlocking Business is a new kind of textbook for business students in their first and second year of a degree. Unlocking Financial Accounting provides the following benefits: - Strict coverage of key knowledge, concepts and ideas, keeping the title lean and focused and allowing students to find what they want without having to plough through thousands of pages. - Carefully written for the learner - case studies, exercises

and seminar ideas are woven into the text to help students learn as quickly as possible and to retain that knowledge in the most time-efficient way. - Encourages good practice such as complete referencing and suggested wider reading, to help those who wish to obtain the best possible degree classification. - Useful web resources include further questions, revision summaries and interactive multiple-choice quizzes at <http://www.hodderplus.co.uk/unlockingbusiness> - A cost-effective way to prepare students for their studies. Foundations in Accountancy (FIA) awards are entry-level, core-skill focused qualifications from ACCA. They provide flexible options for students and employers, and as official ACCA Approved Learning Provider - Content, BPP Learning Media's study materials are tailored to the exams students will take. FIA - FMA Management Accounting (ACCA F2) Passcards The Wiley Study Guides for the Level 1 CFA exam are proven to help candidates understand, retain, and master the CFA Program Curriculum, complete with color-coded Study Guides and coverage of every Learning Outcome Statement on the exam. With over 1,000 pages of distilled knowledge from our staff of CFA charterholders and instructors, these books are a highly effective and proven study aid filled with exam tips, fundamental concepts, and in-depth examples. Our authors have used their years of personal teaching experience with students from a variety of backgrounds to develop study guides that improve the study experience of CFA Level I candidates and include practical and helpful tips and test-taking advice throughout the text. The color-coding feature, which makes it easier for you to follow cases and examples that make references to graphs and sets of financial statements. Most subjects, especially Economics, Portfolio Management and Fixed Income use plenty of figures and diagrams to illustrate important concepts. Our study guides include all those figures and additional commentary to make the material easily understandable. Leading Procurement Strategy is a must-read for all senior procurement executives wishing to further enhance their skill set, master the latest developments in procurement strategy and really come into their own as procurement leaders. The expert author team explains how to effectively manage and mitigate risks in the supply chain, appreciate the key issues affecting the procurement function and develop best practice excellence in teams. Providing the latest thinking in procurement and supply management within the broad perspective of different industries, this second edition of Leading Procurement Strategy covers: global sourcing; supplier relationship management; cost management; information technologies and future developments. The book is underpinned by academic theory and supported by an extensive range of real world case studies drawn from the authors' experiences, including Tesco, Tata, Coca-Cola, BAA, P&G and IBM. This new edition provides the skills, knowledge and tools needed to articulate an effective strategy and embrace a transformational role to lead procurement teams, showing how procurement can become an influential function that delivers sustainable competitive

advantage. BPP Learning Media provides the widest range of study materials of any CIMA publisher. Our comprehensive printed materials highlight the areas to focus on for your exams, and our e-Learning products complement the syllabus to improve your understanding. 'Accounting for Business' is ideal for undergraduate students on business and accounting courses who need to understand the nuts and bolts of financial accounting. This popular textbook has always enjoyed a deserved reputation for accessibility and thoroughness. Now in its third edition, its contents have been fully updated and restructured to make them even easier to use. Readers will benefit from the coverage of current accounting practices and legislation, in addition to the range of worked examples and self-test activities throughout the book. 'Accounting for Business' clearly explains accounting information's role in making sound business decisions and focuses upon the aspects of accounting practice which are most relevant to the non-specialist manager. It is ideal for first year undergraduates of business studies, higher students and those pursuing professional accountancy qualifications. This third edition has been restructured, to further enhance its 'student centred' approach. The content has now been broken down into 25 roughly equivalent 'bite-sized' individual study topics. Each of these requires 6 hours of study time, enabling this book to support a full scale semester course with two topics a week, or a full year course at one topic a week. Includes a wide selection of topical case studies, with a broad spread of international examples. The Wiley Study Guides for the Level 1 CFA exam are proven to help candidates understand, retain, and master the CFA Program Curriculum, complete with color-coded Study Guides and coverage of every Learning Outcome Statement on the exam. With over 1,000 pages of distilled knowledge from our staff of CFA charterholders and instructors, these books are a highly effective and proven study aid filled with exam tips, fundamental concepts, and in-depth examples. Our authors have used their years of personal teaching experience with students from a variety of backgrounds to develop study guides that improve the study experience of CFA Level I candidates and include practical and helpful tips and test-taking advice throughout the text. The color-coding feature, which makes it easier for you to follow cases and examples that make references to graphs and sets of financial statements. Most subjects, especially Economics, Portfolio Management and Fixed Income use plenty of figures and diagrams to illustrate important concepts. Our study guides include all those figures and additional commentary to make the material easily understandable. The ACCA F3 Study Text is split into six parts in line with the syllabus structure. The examiner has commented that the Study Text is well structured and focused to meet the requirements of the F3 student. There is a whole chapter devoted to the subject of ethical considerations, as ethics and social responsibility are integral to the new ACCA syllabus. A must-have resource for the weeks before the CFA exam – Level I Wiley's Level I CFA Program 11th Hour Final Review Study Guide

2022 is a concise distillation of the material covered on Level I of the Chartered Financial Analyst certification exams. Rather than act as a primary study tool, the book offers an efficient and effective way to review the concepts covered by the exam. The book covers: Ethical and professional standards Financial analysis tools, including quantitative methods, economics, and financial reporting and analysis Portfolio management and analysis, including corporate finance Assets, including equity investments, derivatives, fixed income, and alternative investments Perfect for any prospective CFA Level I exam taker seeking to improve their confidence walking into the test, Wiley's Level I CFA Program 11th Hour Final Review Study Guide 2022 is an indispensable resource for improving your retention and understanding of core concepts licensed CFAs use every day. F1 builds on knowledge from paper C2 and introduces tax at a very basic level; it is not based on any tax regime. Financial reporting is a major part of the syllabus, both single company and group accounts are examined in the two '25-mark' questions in section C. New financial reporting topics introduced at this level are: group accounts; construction contracts; financial instruments; and leases. It has four main sections: The principles of business taxation The principles of regulation of financial reporting Preparation of financial statements which conform with IFRS Consolidated financial statements The study text concentrates on the key areas of the syllabus, taking into account the way in which topics are examined. The text has a step-by-step approach to producing financial statements and lots of exercises in which you can practice the workings. We guide you through the more problematic topics which can be brought into the preparation of single company and group financial statements, and give you plenty of examples. The CFA Institute has announced that all 2021 exams will continue to reflect the official 2020 curriculum. Wiley's 11th Hour Final Review Guide for 2020 Level I CFA Exam compacts all readings tested on the 2020 CFA exam into one portable volume. Organized in order, this best-selling guide has helped thousands of candidates from over one-hundred countries pass the CFA exam. Designed to boil it all down to the crucial concepts, formulas and rules, this guide ensures candidates are familiar with the most important testable information. It's difficult to go over multiple books in the last few weeks before the exam, so Wiley's 11th Hour Review Guide does the work for you—condensing each reading down to two- to five pages. Enter the exam room with confidence and reinforce your knowledge and preparation! This comprehensive guide complements Wiley's CFA Study Guides sold separately but may be used with any review course. An effective, efficient study guide, this book prepares you to reach the next level in your career. "The Eleventh Hour Review book is simply brilliant. Virtually every sentence it contains is testable—it's an absolute must-have for every Level I candidate." —Ameer, UK "The eleventh hour guide was a great help." —Konrad, South Africa "I used your eleventh hour guide and mock exams for the last bit of my studying and greatly

enjoyed your material. Out of all of the exam prep material, I thought [yours] was the best." —Thomas, USA "Thanks to the team for writing the most intelligent Chartered Financial Analyst material I have seen to date. The eleventh hour guide is absolute genius and proving very valuable at this stage of the revision process." —Doug, UK The maths, the formulas, and the problems associated with corporate finance can be daunting to the uninitiated, but help is at hand. 'Corporate Finance For Dummies, ' covers all the basics of corporate finance The examiner has reviewed the Study Text, which concentrates on the key areas of the syllabus and takes account of the examiner's guidance on how topics will be examined. It includes a step-by-step approach to topics that students may find difficult, such as control account reconciliations and suspense accounts. There are lots of examples and questions in each chapter to help you practise the techniques. This revised set of resources for Cambridge International AS and A Level Accounting syllabus (9706) is thoroughly updated for the latest version of the curriculum. Written by experienced authors, this coursebook unpacks accounting concepts in an engaging and accessible style. With clear definitions of up-to-date terminology, this resource is ideal for learners with a wide range of abilities, including those whose first language is not English. Practical walkthroughs illustrate the application of key accounting policies and practices, and activities reinforce knowledge and build analytical and evaluation skills. At the end of each chapter there are opportunities to practice multiple-choice and structured questions to help prepare students for their assessment. This generic accounting book covers basic accounting, including double entry book keeping, the preparation of financial statements, and company accounts and interpretation. Features include summary diagrams, worked examples and illustrations, activities, discussion topics, chapter summaries and quick quizzes, all presented in a user friendly format that helps to bring the subject to life. Student Unit Guides are perfect for revision. Each guide is written by an examiner and explains the unit requirements, summarises the relevant unit content and includes a series of specimen questions and answers. There are three sections to each guide: Introduction - includes advice on how to use the guide, an explanation of the skills being tested by the assessment objectives, an outline of the unit or module and, depending on the unit, suggestions for how to revise effectively and prepare for the examination questions. Content Guidance - provides an examiner's overview of the module's key terms and concepts and identifies opportunities to exhibit the skills required by the unit. It is designed to help students to structure their revision and make them aware of the concepts they need to understand the exam and how they might analyse and evaluate topics. Question and Answers - sample questions and with graded answers which have been carefully written to reflect the style of the unit. All responses are accompanied by commentaries which highlight their respective strengths and weaknesses, giving students an insight into the mind of the examiner. This series has been endorsed

by Cambridge International to support the syllabus for examination from 2023. Provide the knowledge, understanding and skills required to succeed in the revised Cambridge International AS & A Level Accounting syllabus (9706), with a clear and accessible resource, featuring questions throughout to challenge learners at every level. - Strengthen subject knowledge with a range of question types designed to test understanding of key topics within the syllabus, including past paper and exam-style questions. - Unpack challenging concepts with a course that's written for international students and includes suitable content and language levels, key terminology and a Glossary will provide useful reference points to help ESL learners to access the material fully, remember and process information. - Provide a clear pathway for progression with clearly distinguished syllabus statements to be covered within each chapter. - Develop analytical skills with worked examples providing full and clear explanations of each concept. Foundations in Accountancy (FIA) awards are entry-level, core-skill focused qualifications from ACCA. They provide flexible options for students and employers, and as an ACCA Approved Content Provider, BPP Learning Media's suite of study tools will provide you with all the accurate and up-to-date material you need for exam success. Financial Reporting for Business and Practice 2004 is the definitive text on financial accounting. First published over ninety years ago as Spicer and Pegler's Book-Keeping and Accounts, this updated edition contains worked examples and illustrations from published accounts of small and medium-sized enterprises, giving a clear insight into the most recent developments. This book includes an update on IAS developments, including the Accounting Standard Board's programme for converging UK GAAP with IAS. The chapter on revenue recognition has been updated to cover recent developments such as Application Note G to FRS 5. Other chapters deal with the UK regulatory framework; statements of principles and accounting policies; revenue recognition; reporting the substance of transactions; tangible and intangible fixed assets; accounting for liabilities and provisions; hire purchase and leasing; shareholders' funds; financial instruments; taxation, including deferred tax; retirement benefits; share-based payment; directors' remuneration and share disclosures; accounting for small and medium-sized companies; limited liability partnerships; accounting for overseas operations; and reporting issues for listed companies. This text is ideal for corporate financial professionals, smaller practitioners or students looking for a convenient and practical reporting handbook. An updated edition to cover the requirements of the 2000 A Level specifications. This book is also useful as an introduction to professional accounting courses. Numerous examples and exercises. Updated to incorporate legislative and syllabus changes, the 2006 CIMA Study Systems provide complete study material for the May and November 2006 exams. Each title contains practice questions throughout, a complete revision section, topic summaries, and a recommended reading list.
