**Joshua** Feb 12 2022 The Book of Joshua or Book of Jehoshua ) is the sixth book in the Hebrew Bible and the Christian Old Testament. Its 24 chapters tell of the entry of the Israelites into Canaan, their conquest and division of the land under the leadership of Joshua, and of serving God in the land.[1] Joshua forms part of the biblical account of the emergence of Israel, which begins with the exodus of the Israelites from slavery in Egypt, continues with the book of Joshua, and culminates in the Book of Judges with the conquest and settlement of the land.[2] The book is in two roughly equal parts. The first part depicts the campaigns of the Israelites in central, southern and northern Canaan, as well as the destruction of their enemies. The second part details the division of the conquered land among the twelve tribes. The two parts are framed by set-piece speeches by God and Joshua commanding the conquest and at the end warning of the need for faithful observance of the Law (torah) revealed to Moses.[3]

*And Another Thing...* Jan 23 2023 *And Another Thing ...* will be the sixth novel in the now improbably named Hitchhiker's Guide to the Galaxy trilogy. Eight years after the death of its creator, Douglas Adams, the author's widow, Jane Belson, has given her approval for the project to be continued by the international number one bestselling children's writer, Eoin Colfer, author of the Artemis Fowl novels. Douglas Adams himself once said, 'I suspect at some point in the future I will write a sixth Hitchhiker book. Five seems to be a wrong kind of number, six is a better kind of number.' Belson said of Eoin Colfer, 'I love his books and could not think of a better person to transport Arthur, Zaphod and Marvin to pastures new.' Colfer, a fan of Hitchhiker since his schooldays, said, 'Being given the chance to write this book is like suddenly being offered the superpower of your choice. For years I have been finishing this incredible story in my head and now I have the opportunity to do it in the real world.' Prepare to be amazed...

*Where After* Mar 13 2022 A journey that will compel readers to view life after death in a completely different way. Where - do our loved ones go - After they die? This is the question that has traversed the universe for centuries and is considered one of life's greatest mysteries. While many of the world's renowned philosophers, scientists, theorists, doctors, and great mystics endorsed the existence of the afterlife, no one book has been available to explore it all, until now. Mariel Forde Clarke asserts that whether you believe in God or heaven, you can be comforted by the sense that an afterlife exists beyond the realm of one's physical comprehension. Drawing on the findings of patients who have had near-death experiences and visions, and on those of renowned scientists and doctors, Clarke helps the reader chart the journey of the soul and navigate their grief.

*January 6* Oct 20 2022 Americans were shocked and outraged to see chaos unfold at the Capitol on January 6, 2021. The melee shut down plans by some Republican lawmakers to object to Congress's official certification of the 2020 presidential election results. Democrats, the news media, and many leading Republicans immediately blamed the roughly four-hour disturbance on President Trump. The president "incited an insurrection," the American public was told. It prompted a second impeachment trial of Donald Trump after he left office. But one year later, the original narrative of what happened that day has crumbled while hundreds of Americans have been swept up in an unprecedented investigation led by Joe Biden's Justice Department to punish them for their involvement in the January 6th protest. The public has been misled—and flat-out lied to—about a number of aspects related to that day. This book exposes them all.
