This important book, written by educational expert and urban school leader, Tom Payzant, offers a realistic understanding of what urban school leadership looks like from the inside. Payzant shares his first-hand knowledge of the unique managerial, instructional, and political tasks of this role. Effectively combining practical lessons and research, Urban School Leadership includes in-depth analysis of various leadership concerns. The book covers topics such as improving student achievement, working with unions, building community, and maintaining and developing resources. Most importantly, it offers stories of real school leaders whose successes and missteps reveal the inherent "messiness" of this difficult job. Urban School Leadership is part of the Jossey-Bass Leadership Library in Education series. "This important book provides compelling examples of how effective leaders can have hope, see progress, and achieve success for all children in the schools and districts they lead."—Richard Riley, former United States Secretary of Education "Tom Payzant is one of the few people who could provide such a comprehensive, useful book for educational leaders at all levels. This very practical book is grounded in the important experiences and impressive judgment of one of our nation's most successful school superintendents"—Jon Schnur, co-founder and CEO, New Leaders for New Schools "Tom Payzant is one of the finest urban educators of our generation. Urban School Leadership is compelling, crisp, and wise—providing a clear path for those dedicated to improving the trajectory of children's lives."—Timothy F.C. Knowles, executive director, Center for Urban School Improvement, University of Chicago "Urban School Leadership is a must read for anyone interested in the landscape of urban public education in America."—Beverly Hall, superintendent, Atlanta Public Schools Josh McDowell's Beyond Belief message is the foundation to launch a spiritual revolution among youth. This is a revolution to equip churches and families to raise up a generation of the cross--young people who have been transformed by Christ and the cross, who are empowered to live crossgrain to the culture and are committed to share Christ across all cultures. Sixteen stand-alone products make up an entire family of resources that churches need to launch a church-wide revolution. These products are directed to every age group from 5 to 105, and help equip church groups and families with the tools to lead their children and youth to become transformed, passionate followers of Christ. In this first follow-up to Josh's popular first family devotional, Josh helps parents pray and worship together with their children while grounding them in knowledge of why God is who he is. Fans of #1 New York Times bestselling author Lora Leigh's scorching Breed series first met Cassie as a little girl in Elizabeth's Wolf. Now Cassie has finally come into her own as a young woman, and she's about to discover the one she is destined for—but it is unclear whether her fate is to be mated for life, or marked for death... The Breeds are humans altered before conception with the DNA of the predators of Earth. But although they all carry the genetic material of beasts within them, Cassandra Sinclair stands apart. A unique mix of wolf, coyote and human, she is revered by many—but preyed upon by others. She is fiercely protected by her community...but no one manages to stop her when she slips away one day to offer her body in exchange for her sister's safety. The man she succumbs to surprises her by unleashing her inner animal in ways she never dreamed possible—and provokes her deep, furious rage. To Cassie's shock, he is the mate she has long awaited. She may never be able to forgive his deception. Still, as dangerous enemies track her, and as the threat of all-out war between Breeds and the humans who despise them hovers in the air, they must join forces and hold fast to each other. But the passionate union between them holds a potential that could change the world—and some will do anything to stop it... The Omnitrix has been replaced by the even more powerful Ultimatrix and Ben's a little bit older now – but he's still turning alien to destroy villains and help keep the good folks in the galaxy safe from harm! It's a tall order, so Ben's really glad that he still has Gwen and Kevin (and their amazing powers) by his side. And Ben now has newer and even more AWESOME aliens than ever! So come and be reunited with some old friends and foes – and meet some new ones, too! Check out the alien facts, brain-busting puzzles and the epic comic strip. Winner of the Society for Ethnomusicology's Klaus Wachsmann Award (2006) Wired for Sound is the first anthology to address the role of sound engineering technologies in the shaping of contemporary global music. Wired sound is at the basis of digital audio editing, multi-track recording, and other studio practices that have powerfully impacted the world's music. Distinctions between musicians and engineers increasingly blur, making it possible for people around the globe to imagine new sounds and construct new musical aesthetics. This collection of 11 essays employs primarily ethnographical, but also historical and psychological, approaches to examine a range of new, technology-intensive musics and musical practices such as: fusions of Indian film-song rhythms, heavy metal, and gamelan in Jakarta; urban Nepali pop which juxtaposes heavy metal, Tibetan Buddhist ritual chant, rap, and Himalayan folksongs; collaborations between Australian aboriginals and sound engineers; the production of “heaviness” in heavy metal music; and the production of the “Austin sound.” This anthology is must reading for anyone interested in the global character of contemporary music technology. CONTRIBUTORS: Harris M. Berger, Beverley Diamond, Cornelia Fales, Ingemar Grandin, Louise Meintjes, Frederick J. Moehn, Karl Neunfeldt, Timothy D. Taylor, Jeremy Wallach. This is the area of ambiguity where fiction and fact become endowed with meaning, and this is the area—where ambiguity, irony, and metaphor join forces—that Harold Scheub exposes in all its nuanced and evocative complexity in The Poem in the Story. In a career devoted to exploring the art of the African storyteller, Scheub has conducted some of the most interesting and provocative investigations into nonverbal aspects of storytelling, the complex relationship between artist and audience, and, most dramatically, the role played by poetry in storytelling. This book is his most daring effort yet, an unconventional work that searches out what makes a story artistically

engaging and emotionally evocative, the metaphorical center that Scheub calls "the poem in the story." Drawing on extensive fieldwork in southern Africa and decades of experience as a researcher and teacher, Scheub develops an original approach—a blend of field notes, diary entries, photographs, and texts of stories and poems—that guides readers into a new way of viewing, even experiencing, meaning in a story. Though this work is largely focused on African storytelling, its universal applications emerge when Scheub brings the work of storytellers as different as Shakespeare and Faulkner into the discussion. DISCIPLE IV UNDER THE TREE OF LIFE is the final study in the four-phase DISCIPLE program and is prepared for those who have completed BECOMING DISCIPLES THROUGH BIBLE STUDY. The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads natural to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion - toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures for DISCIPLE IV: UNDER THE TREE OF LIFE. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest - home at last. Commitment and Time Involved 32 week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. DVD Set Four of the five videos in this set contain video segments of approximately ten minutes each that serve as the starting point for discussion in weekly study sessions. The fifth video is the unique component that guides an interactive worship experience of the book of Revelation. Under the Tree of Life Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set decorations differs from segment to segment depending on the related Scripture and its time period. Set decoration for video segments related to the Writings generally has a Persian theme. Set decoration for the New Testament video segments emphasizes the simpler life of New Testament times. All the ancient occult and esoteric fraternities, organizations, and schools agreed upon one point-the Universality of Sex. They realized that the Sex principle was manifest through all the Cosmos, and that it was in activity throughout all the universe. The Phallic Cross symbol is found in use in nearly every occult organization or body, and signifies the teaching that the male and female principles are immanent in each and every form of nature's activities and manifestations. A debut that took Great Britain by storm, My Legendary Girlfriend introduced the world to the loveable, lovestruck Will Kelly. It's been three years since his heartthrob, Agnes, wrecked his life with a chat that started, "It's like that song. 'If you love somebody, set him free.'" But no matter how much time goes by, Will doesn't feel very free. He still makes lists of each birthday present Aggie ever gave him, has gymnastic fantasies about a perfect reunion night with her, dwells on the first words she uttered to him. How long can a person stay down in the dumps after being dumped? And how much longer before Will dumps Martina, the sweet but clingy girl he's seeing? Will anyone ever measure up to his Legendary Girlfriend? Fresh, endearing, and full of humor, My Legendary Girlfriend tells a story that will ring true for everyone who's ever tried to mend a broken heart. He was one of the nation's most vocal critics on government interference in business. So why did Lee Iacocca go before Congress with his hat in his hand for loan guarantees? He did it because he understood the Law of Sacrifice. Jaime Escalante has been called the best teacher in America. But his teaching ability is only half the story. His and Garfield High School's success came because of the Law of the Big Mo. From the author of One Day in the Eucalyptus, Eucalyptus Tree: Do you wanna? Wanna see?
