Living with his little brother, Fudge, makes Peter Hatcher feel like a fourth

grade nothing. Whether Fudge is throwing a temper tantrum in a shoe store, smearing smashed potatoes on walls at Hamburger Heaven, or scribbling all over Peter's homework, he's never far from trouble. He's a two-year-old terror who gets away with everything—and Peter's had enough. When Fudge walks off with Dribble, Peter's pet turtle, it's the last straw. Peter has put up with Fudge too long. How can he get his parents to pay attention to him for a change? Reading Comprehension Workbook Grade 1 Passages and Questions for Guided: Level E Guided Reading Comprehension Test Prep Books Passages and Questions for Homeschool, Kindergarten, 1st Grade: This product is designed to help kids who are reading at Guided Reading Level E become skilled at reading comprehension success simple passages and answering text-based comprehension questions. As students find the evidence that supports their answers, they participate in their very first close reading lessons. Once students are familiar with the format, this pack is ideal for morning work. This packet includes fifteen passages and four text-based multiple choice questions for each passage. One page of written response questions has been added (on 7/28/2016) for each passage. Supports the following standards: Common Core Standards ELA.Literacy.RI.1.1 and ELA.Literacy.RL.1.1: Ask and answer questions about key details in a text. Common Core Standards ELA-Literacy.RI.K.1 and ELA-Literacy.RL.K.1: With prompting and support, ask and answer questions about key details in a text. These Reading comprehension social studies passages are also useful for choral reading and fluency work. I work through these passages with students during both small and whole group lessons, having students "answer" the questions with bingo chips instead of circling the answers. We discuss how to choose the best answer for each question and how to look back in the passage to check answers. I then send the passage home for students to read to their parents and complete for homework. I find this is a great confidence builder for kids and that parents take pride in hearing their child read the passage and then explain how to choose the best answer for each question. The following passages are included: - Tails - Faster - Wheels - The Storm - Camping - Reading Comprehension Workbook Grade 1 - Leaves - Moose - From the Farm - Balls - At Night - Where, Oh Where? - The Picnic - The Little Turtle - What Animals Eat - Money Thank you for looking! - Reading Comprehension Textbook Passages and Questions Education A stirring, dramatic story of a slave who mails himself to freedom by a Jane Addams Peace Award-

winning author and a Coretta Scott King Award-winning artist. Henry Brown doesn't know how old he is. Nobody keeps records of slaves' birthdays. All the time he dreams about freedom, but that dream seems farther away than ever when he is torn from his family and put to work in a warehouse. Henry grows up and marries, but he is again devastated when his family is sold at the slave market. Then one day, as he lifts a crate at the warehouse, he knows exactly what he must do: He will mail himself to the North. After an arduous journey in the crate, Henry finally has a birthday -- his first day of freedom.

This book presents the components of Success for All and Roots & Wings, two comprehensive restructuring programs for elementary schools designed to make the idea that all children can learn a practical, daily organizing principle, especially in schools serving students at risk. Success for All, first implemented in 1987, was created to show how schools could ensure that virtually all children could learn to read and write. It uses research-based curricular strategies, individual tutoring, and active family support. Roots & Wings, which began in 1991, extends similar principles to mathematics, social studies, and science. Nine chapters examine: (1) "One Million Children: Success for All" (an overview); (2) "Reading, Writing, and Language Arts Programs"; (3) "Tutoring Programs"; (4) "Prekindergarten and Kindergarten Programs"; (5) "Roots & Wings: Adding Social Studies, Science, and Mathematics to Success for All"; (6) "Family and Student Support"; (7) "Facilitators and the Change Process"; (8) "Research on Success for All and Roots & Wings"; and (9) "Success for All, Roots & Wings, and School Reform" (the implications of research for compensatory education, special education, and school reform in general). Appendixes to the first five chapters present sample lessons, activities, and checklists. (Contains 131 references.) In the end, what sticks with the reader is an exuberant immigrant embrace of America. ” —San Francisco Chronicle In 1972, when she was seven, Firoozeh Dumas and her family moved from Iran to Southern California, arriving with no firsthand knowledge of this country beyond her father ' s glowing memories of his graduate school years here. More family soon followed, and the clan has been here ever since. *Funny in Farsi* chronicles the American journey of Dumas ' s wonderfully engaging family: her engineer father, a sweetly quixotic dreamer who first sought riches on Bowling for Dollars and in Las Vegas, and later lost his job during the Iranian revolution; her elegant mother, who never fully mastered English (nor cared to); her uncle, who combated the effects of American fast food with an army of miraculous American weight-loss gadgets; and Firoozeh herself, who as a girl changed her name to Julie, and who encountered a second wave of culture shock when she met and married a Frenchman, becoming part of a one-couple melting pot. In a series of deftly drawn scenes, we watch the family grapple with American English (hot dogs and hush puppies?—a complete mystery), American traditions (Thanksgiving turkey?—an even greater mystery, since it tastes like nothing), and American culture (Firoozeh ' s parents laugh uproariously at Bob Hope on television, although they don ' t get the jokes even when she translates them into Farsi). Above all, this is an unforgettable story of identity, discovery, and the power of family love. It is a book that will leave us all laughing—without an accent. Praise for *Funny in Farsi* “ Heartfelt and hilarious—in any language. ” —Glamour “ A joyful success. ” —Newsday “ What ' s charming beyond the humor of this memoir is that it remains affectionate even in the weakest, most tenuous moments for the culture. It ' s the brilliance of true

sophistication at work. ” —Los Angeles Times Book Review “ Often hilarious, always interesting . . . Like the movie My Big Fat Greek Wedding, this book describes with humor the intersection and overlapping of two cultures. ” —The Providence Journal “ A humorous and introspective chronicle of a life filled with love—of family, country, and heritage. ” —Jimmy Carter “ Delightfully refreshing. ” —Milwaukee Journal Sentinel “ [Funny in Farsi] brings us closer to discovering what it means to be an American. ” —San Jose Mercury News
