"The greatest measuring rod of love in the life of a Christian may be forgiveness, because God showed His love to us in terms of forgiveness." ?John MacArthur Does anyone really want to forgive? Or admit that we need forgiveness? Whether we're giving or receiving, forgiveness is hard. It seems unfair. It feels unnatural. And as best-selling author and pastor John MacArthur demonstrates, forgiveness apart from Christ is unnatural. It is only as we understand our need, Christ's power and example, and what it really means to love that we can embrace two of the most liberating acts of love: forgiving and being forgiven. The Truth About Series For decades MacArthur has encouraged countless Christians to develop a deeper understanding of the Bible and a greater respect for God's truth. In The Truth About series, he now gathers his landmark teachings about core aspects of the Christian faith in one place. These powerful books are designed to give readers a focused experience that centers on God's character and how it applies to their daily walk of faith. This collection of writings from seasoned pastors contains over 700 years of combined ministry experience for old and new pastors alike. Una teología bíblica y clara de La Evangelización, presentada con un fundamento histórico e instrucciones prácticas. Aumente su colección de libros del pastor MacArthur con este tema tan necesario. La Evangelización inicia comparando el estado actual del alcance del cristianismo americano con la evangelización a través de la historia de la iglesia y también en la Biblia. Presenta una teología sobre el tema que aborda los principios teológicos que rigen la evangelización, muestra cómo se interpretan en la iglesia, así como la interacción familiar y personal. Incluye predicación, testimonios personales, misiones, evangelización para padres, envío y apoyo de misioneros. Esta importante guía, concientizante en la doctrina, sobre el alcance bíblico complementa los tomos anteriores sobre La Predicación, La Consejería y El Ministerio Pastoral. Pastor John MacArthur combines his passion for the Bible with the training expertise of faculty members at The Master's Seminary to guide seminary students and ministry leaders in developing their pastoral ministry skills. Pastors today can easily become preoccupied with the many pitfalls of modern culture, buying into the idea of image and straying from Jesus's call to shepherd leadership. Pastoral Ministry: How to Shepherd Biblically presents a practical pastoral theology aimed at showing pastors and pastors-in-training the vital role God's word plays in shaping the preparation and maintaining the priorities of pastoring. The authors examine the biblical teaching about the high and demanding call to ministry required of any spiritual shepherd. You'll learn how to pursue intentional growth through the stages of calling, training, and ministering to God's church—along the way, uncovering answers to questions such as: How does the Bible establish a philosophy of pastoral ministry, and what is it? Who is personally qualified to be an undershepherd of God's flock? What are the biblical preparations required of shepherd leaders? What priority does God's word place on activities involved in pastoral ministry? United in affirming shepherd leadership as the biblical model for pastoral ministry, The Master's Seminary faculty contributes a treasury of expertise alongside insights from well-known Bible teacher John MacArthur. This book will inspire any pastor dedicated to serving God's church in the pattern of Jesus Christ. Offers commentary on selected verses of the Bible, includes historical and archaeological background information, and briefly summarizes church history A biblical look at how to steer a congregation in a new and exciting direction aligned with God's unique purpose for them. Transitioning is written to help church leaders and their congregations successfully navigate change and discover that the rewards far exceed the risk. Drawing principles from the book of Nehemiah, Southerland maps out an eight-step strategy for moving from being a traditional, ministry-driven church to a purpose-driven church. Transitioning illustrates practical, field-tested concepts with examples from the Bible and Southerland's own experience. A detailed workbook section with fill-in-the-blanks, scripture passages, and action steps helps pastors and their leadership teams convert knowledge into reality. The Holy Spirit is often portrayed as something "weird." But the Bible makes it clear that the Spirit is not something. He is someone—a Person who has promised to never leave your side. John Bevere invites you into a personal discovery of the most ignored and misunderstood Person in the Church: the Holy Spirit. A wry, fictional account of the life of Christ by the 1998 Nobel laureate in literature "Illuminated by ferocious wit, gentle passion, and poetry." — Los Angeles Times Book Review For José Saramago, the life of Jesus Christ and the story of his Passion were things of this earth: a child crying, a gust of wind, the caress of a woman half asleep, the bleat of a goat or the bark of a dog, a prayer uttered in the grayish morning light. The Holy Family reflects the real complexities of any family, but this is realism filled with vision, dream, and omen. Saramago's deft psychological portrait of a savior who is at once the Son of God and a young man of this earth is an expert interweaving of poetry and irony, spirituality and irreverence. The result is nothing less than a brilliant skeptic's wry inquest into the meaning of God and of human existence. Why do 9 out of 10 children raised in Christian homes leave the Church? Why do many professing Christians show little or no evidence for their faith? Why do 80-90% of those making decisions for Christ fall away from the faith? For decades, the world's most popular gospel message has been drawing the lost by promising God's wonderful plan for their life. But behind the facade of the "wonderful plan" message is the reality of the trials, temptation, and persecution that Jesus promised. How can we reconcile the two? In this life-changing book, best-selling author Ray Comfort explores whether this common gospel approach aligns with real life—and with Scripture. The vital biblical principles he reveals will force you to reexamine your ideas about the gospel—and will teach you how to reach unbelievers the way God intended. A must-read for all who care about the lost. Over a quarter million copies in print! Son los doce sermones más importantes que John MacArthur ha predicado y que han contribuido a acercar a muchas personas a Cristo y a revolucionar completamente corazones y vidas. Están ordenados cronológicamente, comienzan con una introducción al contexto histórico en que se predicaron y luego el sermón completo. Son actuales, contemporáneos y prácticos, de circunstancias que vivimos hoy en día, y con los que podrá aprender, educarse e inspirarse a través del estilo de predicación de John MacArthur. Una forma bíblica y profunda basada, tal y como él y Gracia a Vosotros consideran, en que: "La palabra de Dios es viva y eficaz, más cortante que toda espada de dos filos ..." Hebreos 4:12 Los domingos por la mañana, en la Iglesia Grace Community, grupos pequeños de personas se reúnen para las clases de Fundamentos de la Fe y usan este manual de trece lecciones que combina verdades y bases bíblicas con el servicio y la obediencia personal... Muchos nuevos creyentes han tomado estas clases para crecer en su entendimiento de las verdades bíblicas. Este estudio es ideal para disciplinar a nuevos creyentes o recordar una vez más lo que significa creer en Jesús. ----- On Sunday mornings at Grace Community Church, where John MacArthur preaches, small groups gather together in Fundamentals of the Faith classes to use this manual of thirteen lessons that blend basic biblical truths with personal obedience and service. Each lesson is loaded with learning tools to help you engage Scripture: A link to 13 free downloadable messages by John MacArthur himself Study questions and memory verses Suggestions for practical application If you are a new believer or know someone who is, Fundamentals of the Faith is the perfect resource for establishing a solid biblical foundation for the Christian life. More and more church leaders, pastors, and members are looking for guidance on how to practice church discipline in a biblical way. Here is a contemporary and concise how-to guide that provides a theological framework for understanding and implementing disciplinary measures in the local church, along with several examples of real-life situations. Drawing on both Matthew 18 and 1 Corinthians 5, this brief hardback helps leaders face the endless variety of circumstances and sins for which no exact scriptural case study exists, sins which don't show up on any list and need a healthy framework to be corrected appropriately in love. This volume is part of the 9Marks: Building Healthy Churches series. Look for upcoming, quick-read formats of the following marks of a healthy church: expository preaching, biblical theology, the gospel, conversion, evangelism, church membership, discipleship and growth, and church leadership. This package contains the complete two-volume set of First Corinthians and Second Corinthians from the MacArthur New Testament Commentary series. The MacArthur New Testament Commentary series continues to be one of today's top-selling commentary series. In First Corinthians and Second Corinthians, respected preacher and Bible teacher John MacArthur demonstrates how the Corinthian church required Paul's repeated care as the apostle sought to correct errors of unchristian practice, worship, and doctrine. Concerned with false apostles who were leading the church astray, Paul defended his own authority as God's apostle and sought reconciliation within the church. MacArthur explores these issues by giving a verse-by-verse analysis in context and providing points of application for passages, illuminating the biblical text in practical and relevant ways. Both volumes form yet another set of comprehensive and compelling commentaries in his New Testament series, and are a must-have for every pastor's library. This is the teachers guide edition to this great study of the fundamental beliefs of the Christian faith. With topics ranging from "God: His Character and Attributes" to "The Church: Fellowship and Worship," this study is ideal to disciple new believers or to realize afresh what it means to believe in Jesus. The teachers guide contains all the answers to the 13 lessons taught in the accompanying students edition along with excellent teaching notes to prepare the leader to guide the group. Jesus Christ did not die on the cross so you and I could have a nice day. Ministers and teachers who water down the gospel of Christ in order to make it more popular and appealing may be leading their fun-loving audiences down the road to eternal punishment. This book is John MacArthur's unflinching, unapologetic treatise on the modern tendency to alter the true message of Christianity in order to meet the whims and desires of a culture hoping for nonconfrontational messages, easy answers, and superficial commitments. Too many people just want a Madison Avenue Jesus to make them well, make them happy, and make them prosperous. But Jesus Christ isn't a personal genie. He is the Savior. He died in agony to satisfy the wrath of a holy God and to forgive the sins of humankind. Faith in Him demands a willingness to make any sacrifice He asks. The hard truth about Christianity is that the cost is high, but the rewards are priceless: abundant and eternal life that comes only from faithfully following Christ. Esta es la guía del maestro para este gran estudio de las creencias Fundamentales de la Fe. Incluyendo temas como "Dios: Su Carácter y Atributos" y "La Iglesia: Comunión y Adoración" este estudio es ideal para disciplinar a nuevos creyentes o refrescar una vez más lo que significa creer en Jesús. La Guía del Maestro contiene todas las respuestas a las 13 lecciones impartidas en la Edición del Estudiante junto con excelentes notas de enseñanza para preparar al líder para guiar al grupo. ----- Teacher's guide to the popular study Fundamentals of the Faith With topics ranging from "God: His Character and Attributes" to "The Church: Fellowship and Worship," this course on the basics of the Christian faith is ideal for disciplining new believers or realizing afresh what it means to follow Jesus. The material is trusted, but a good teacher is critical. This guide will help you be that teacher, containing answers to the 13 lessons as well as excellent teaching notes to prepare you to guide the group. Corresponds to the 13-lesson workbook students will be using. Following his best seller, The Logic of Evangelism, this book takes further Professor Abraham's belief that evangelism should involve taking the whole gospel to the whole person. The book reveals his understanding that evangelism is more than winning people for Christ—it is a process of discipleship, introducing new converts to all the riches of the Christian faith. Of course, anyone can undertake evangelism, but some do it with a slapstick attitude, as though they were throwing paint on canvas. In this book, Professor William Abraham declares that evangelism is an art. Evangelism is to be crafted with care, it is to be undertaken thoughtfully, it is to be placed carefully in the overall strategy of church life. Moreover, Christians are not made by throwing words at people, they are won by the care and love of a Christian community that takes seriously its traditions and its Bible. WILLMINGTON'S GUIDE TO THE BIBLE is a treasury of Bible knowledge written in layman's language. Dr. Willmington's goal has been to publish a concise, all-inclusive summary of basic Bible information in one volume, to make available in abbreviated form "a complete Bible education in a single book. Best-selling author and pastor John MacArthur illuminates this profound concept with verse upon verse of Scripture. He also shows that misunderstandings about grace have led to some of the church's greatest problems, perhaps because grace is her most precious gift. The time of the judges were turbulent days in Israel's history, marked by a continuing cycle of sin, oppression, repentance, and deliverance. In time, the people decided they would do better under the leadership of a king, and they demanded that God provide them with one. Samuel, God's anointed prophet, warned they would be getting more than they bargained for, but they continued to insist. The Lord finally provided a king in the person of Saul, and Samuel's warnings came to pass. In this study, pastor John MacArthur will guide you through an in-depth look at this historical period beginning with the miraculous birth of Samuel, continuing through Saul's crowning as Israel's first king, and concluding with his tragic death. Studies include close-up examinations of Hannah, Eli, Saul, David, and Jonathan, as well as careful considerations of doctrinal themes such as "Slaying a Giant" and "Respecting God's Anointed." —ABOUT THE SERIES— The MacArthur Bible Study series is designed to help you study the Word of God with guidance from widely respected pastor and author John MacArthur. Each guide provides intriguing examinations of the whole of Scripture by examining its parts and incorporates: Extensive, but straight-forward commentary on the text. Detailed observations on overriding themes, timelines, history, and context. Word and phrase studies to help you unlock the broader meaning and apply it to your life. Probing, interactive questions with plenty of space to write down your response and thoughts. Issuing a warning against preaching and teaching a candy-coated gospel that neither offends nor convicts anyone, MacArthur challenges readers to return to the roots of the Great Commission. (Revised and expanded edition) In a world that is more culturally diverse than ever, pastors and lay leaders need skills and competencies to serve in multicultural contexts. This rich blend of astute analysis and practical guidance offers a praxis of paying attention, study, and discernment that leads to genuine reconciliation and shared life empowered by the gospel. Being is greater than doing. We all come into the world with a certain emptiness in our lives—an emptiness that leads to a search for meaning. And the world tells us that search for meaning can be solved by doing. Unfortunately, an overemphasis on doing has led many people away from cultivating an interior life that allows them to sustain their exterior life. This explains the many failures we continuously see in day-to-day life. When a person's inner life—who he or she is—is not prepared, that person's character does not have the maturity or the strength to sustain them in the long run. In this book, Miguel Núñez points us to Scripture and experience to show us how being is more important than doing. He teaches us how to cultivate the foundations of our lives, so that we can be what we need to be, in order to do what we need to do. You don't need to memorize evangelical formulas or answers. You just have to be willing to ask. There was something different about the way Jesus communicated with the lost: He didn't force answers upon people, He asked questions. So why don't we? Following Christ's lead, Randy Newman has been using a questioning style of evangelism for decades. In this provocative book, he provides practical insights to help Christians engage others in meaningful spiritual conversations. He challenges us to examine how we think about people, their questions, and our crucial message. This second edition includes a new preface reflecting on the popularity of this perennial best seller and what its success has taught Newman about the effectiveness of this extraordinary method. "Distilled out of over twenty years of personal evangelism, this book reflects both a deep grasp of biblical theology and a penetrating compassion for people—and finds a way forward in wise, probing questions. How very much like the Master Himself!" --D. A. Carson, Trinity Evangelical Divinity School "Questioning Evangelism steps outside the boundaries of evangelism as usual and tackles the tougher issues of our modern day." --Mitch Glaser, Chosen People Ministries A clear, biblical theology of evangelism, presented with a historical foundation and practical instruction. Expand your MacArthur Pastor's Library to include this much-needed topic. Evangelism begins by comparing the current state of outreach in American Christianity with evangelism throughout church history and also in the

Bible. Presenting a theology on the subject that addresses the theological principles that govern evangelism, showing how they are played out in the church, as well as the family and personal interaction. It includes preaching, one-on-one witnessing, missions, parenting evangelism, and commissioning and supporting missionaries. This book's substantive and doctrinally insightful guide to biblical outreach complements the previous volumes Preaching, Biblical Counseling, and Pastoral Ministry. Written by a Presbyterian preacher in the 1800's this book is revered by some and considered heresy by others. The arguments given in Finney's various lectures will cause many to consider their own positions and seek to justify what they believe. Finney deals with many different subjects going from moral law, government, love, depravity and other diverse but important subjects. Regardless of what your own position on these subjects are, this work is a good masterpiece of religious thought but the ideas and reasons for Finney's arguments may leave theologians wondering if such thinking is something we should be keeping around. Reading books on money and giving typically makes us feel worse than when we began. "I don't want you to feel worse; I want you to feel better. And the path to feeling better is understanding what the Bible really says about giving and spending. This book will help you do that."-John MacArthur John MacArthur has written this no-nonsense book to affirm Christ's teaching that "it is more blessed to give than to receive." In this practical, easy-to-read book Christians can find out: How to give, where to give, and how much to give Scriptural guidelines for acquiring money and investing it The right and wrong ways to go about giving The connection between generous giving and prosperity Why get-rich-quick schemes like gambling are wrong "When you give as God has commanded, you will find it liberating, rewarding, joyous, and profoundly enriching"-John MacArthur Find out in this book how the blessings that go with giving can be yours. In Strange Fire, bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement. What would God say about those who blatantly misrepresent His Holy Spirit; who exchange true worship for chaotic fits of mindless ecstasy; who replace the biblical gospel with vain illusions of health and wealth; who claim to prophesy in His name yet speak errors; and who sell false hope to desperate people for millions of dollars? The charismatic movement has always been a breeding-ground for scandal, greed, bad doctrine, and all kinds of spiritual chicanery. As a movement, it is clearly headed the wrong direction. And it is growing at an unprecedented rate. From the Word of Faith to the New Apostolic Reformation, the Charismatic movement is being consumed by the empty promises of the prosperity gospel. Too many charismatic celebrities promote a "Christianity" without Christ, a Holy Spirit without holiness. And their teaching is having a disastrous influence on a grand scale, as large television networks broadcast their heresies to every part of the world. In Strange Fire, MacArthur lays out a chilling case against the modern Charismatic movement that includes: Rejecting its false prophets. Speaking out against their errors. Showing true reverence to the Holy Spirit. Clinging to the Bible as the inerrant, authoritative Word of God and the one true standard by which all truth claims must be tested. El comentario bíblico sobre el libro de Hechos está disponible ahora en español. En las páginas de estos comentarios expositivos no se percibe solamente un gran conocimiento de la Biblia, sino un amor y un celo profundos por la Palabra de Dios y por el Dios de la Palabra. John MacArthur hace una valiosa contribución a la interpretación y aplicación del texto bíblico que se refleja en una exégesis cuidadosa, una gran familiaridad con el escritor inspirado y su contexto, así como en variadas explicaciones e ilustraciones prácticas. Representa un excelente recurso para la preparación de sermones, el estudio personal y la vida devocional. The MacArthur New Testament Commentary on the book of Acts is now available in Spanish. MacArthur gives verse-by-verse analysis in context and provides points of application for passages, illuminating the biblical text in practical and relevant ways. The series has been praised for its accessibility to lay leaders, and is a must-have for every pastor's library. With time-tested explanations based on biblical doctrine, the MacArthur Bible Commentaries are the perfect companion for biblical study or small group Bible study. El evangelismo no sólo es incomprendido, es a menudo inaplicable. Muchos cristianos quieren compartir el Evangelio con otros, pero debido a que esos cristianos no entienden los fundamentos de testificar, se sienten intimidados e incapaces de compartir la verdad del Evangelio. A medida que los lectores entienden los fundamentos de la evangelización, comenzarán a desarrollar una cultura de evangelismo en sus vidas y en sus iglesias locales. "Mark Dever ha hecho un gran favor a cada creyente y pastor. Con gran humildad, nos ayuda a relacionar nuestro anhelo por las almas con la verdad del evangelio y la evangelización misma. Este libro sencillo nos escudriña los corazones, nos corrige las mentes, nos llama a la fidelidad, y nos anima con los ejemplos prácticos y las exhortaciones." Thabiti M. Anyabwile Many sermons preached today lack the divine knowledge and spiritual understanding available only through dynamic expository preaching. In Preaching: How to Preach Biblically, John MacArthur' well-known passion for the Bible combines with the expertise of faculty members at The Master's Seminary to inspire and equip preachers in effective biblical preaching. Preaching: How to Preach Biblically flows from biblical foundations for expository preaching through a detailed process of developing expositions and creating sermons to the actual delivery of expository messages, connecting what pastors learn in seminary with the sermons preached in a local church. This volume shows how to progress purposefully from one phase to the next in preparing to minister to God's people through preaching. This book answers these questions and more: What is expository, biblical preaching? What are the theological and historical foundations for insisting on expository preaching? What are the steps involved in preparation for and participation in biblical preaching? What models exist for expository preaching today? The Master's Seminary faculty, with over thirty years' experience in preaching and seminary training of preachers, contributes a treasury of expertise alongside insights from expositor John MacArthur. While united on their commitment to exposition, the variety of individual expressions and methodological preferences discussed offers beneficial assistance for any preacher seeking a higher level of expository excellence. Gain a knowledge of counseling methods that are practical and consistent with Christian theological convictions. What do the Scriptures say about counseling? What is the biblical basis for using Scriptures in counseling? What does it mean to think biblically about counseling-related issues? At the root of this book is the confidence that Christ and his Word are not only sufficient for effectively handling the personal and interpersonal challenges of life but are superior to the resources found in the world. The practice of psychological counseling is a ministry and should not belong only to the realm of humanistic and secular theories of the mind. Written to pastors, elders, deacons, seminary students, and laypeople; well-known pastor John MacArthur and contributors present a system of biblical truth that brings together people, their problems, and the living God. This kind of counseling is based on the convictions that: God's Word should be our counseling authority. Counseling is a part of the basic discipling ministry of the local church. God's people can and should be trained to counsel effectively. Counseling: How to Counsel Biblically provides biblical guidelines to counsel people who are struggling. The contributors represent some of America's leading biblical teachers and counselors, including: Ken L. Sarles, David Powlison, Douglas Bookman, David B. Maddox, Robert Smith, William W. Goode, and Dennis M. Swanson. An essential and concise introduction to eight of the world's major religions. For the Christian, there's value in learning about different religions and unfamiliar expressions of belief. First of all, it gives us a greater understanding of the world we live in. But a study of other faiths can also deepen our own while making us more effective witnesses to those who don't share a belief in Christ. In World Religions, Gerald R. McDermott explains what you need to understand about major world religions so that you can be equipped to engage people of other faiths. McDermott offers an overview of the central beliefs of Christianity, Judaism, Islam, Hinduism, Buddhism, Confucianism, Daoism, and Shinto. Features include: Insights from members of each religious community. Discussions of each religion's major traditions, rituals, and leaders. A glossary of important terms.
