and Hero, the Lost Boy: The Story of Friendship*

An animal with smooth, gray skin jumps from the ocean waves. Its tail waves up and down before it quickly dives again. Did you just see a dolphin? Or was it a porpoise? This is the story of the friendship between a Bedouin boy and a dolphin. Completely deaf from the age of five, the companionship of the dolphin, named Olin, gave Abid'allah the confidence to talk again. Dolphins have long memories and make special clicking sounds to help them get around underwater. Readers will discover all this and then some, including the amazing way that

dolphins tell one another apart! Did you know that the killer whale is actually the largest of the dolphin species? Learn this and more alongside beautiful, full-bleed color photographs. Complete with glossary, index, and table of contents. This series offers friendly and accessible Greek myth retellings, with clear type and illustrations. Arion was the greatest poet in the world. On his way home from a far-off land, sailors want to steal his treasure and leave him to drown. Who will save him? Sharks and dolphins both have torpedo-shaped bodies with fins on their backs. They slice through the water to grab their prey with sharp teeth. But despite their similarities, sharks and dolphins belong to different animal classes: one is a fish and gets oxygen from the water and the other is a mammal and gets oxygen from the air. Marine educator Kevin Kurtz guides early readers to compare and contrast these ocean predators through stunning photographs and simple, nonfiction text. SUMMARY: Wiki, an orphan dolphin, is befriended by Kamuelo, a Hawaiian boy. Jim lives in a fishing village - but no-one goes fishing any more as all the fish have gone. One day, Jim spots a dolphin beached on the sand. He runs to get help, and everyone works together to return the dolphin to the water. Afterwards, the dolphin stays in the harbour, playing with the swimmers - and he even carries Jim on his back! Then the dolphin disappears, and everyone is so sorrowful they take out a boat to find him. Suddenly the sea is boiling with dolphins leaping out of the sea! They have come to stay - and the village comes to life with tourists, mended boats, and dolphins! Finn has always been different, and in the tiny fishing village of Stromhead he sticks out like a sore thumb. Always told to

keep away from the water, he's felt that something was missing until one day he dives in and finds that, swimming with the dolphins, he feels completely at home. But his new friends are in danger of being injured by the rubbish that floats out into the water - and now a supermarket is going to release thousands of balloons that could drift out to sea and cause even more damage. Desperate to help the dolphins, Finn goes to the Lighthouse Crew, a group of kids who have always left Finn out. Will they be able to set aside their differences to save the dolphins? And what will Finn discover about his past along the way? A moving adventure about the impact of plastic pollution on our seas, and the campaigning power of friendship from the award-winning Elizabeth Laird, illustrated by Peter Bailey. 'Song of the Dolphin Boy is such a beautiful, important, heartfelt book. I loved every page' Lauren St John 'A lively and inspiring tale of village life and the dangers to wildlife of releasing balloons' The Sunday Times Carefully leveled text and fresh, vibrant photos engage young readers in learning about dolphins. Age-appropriate critical thinking questions and a photo glossary help build nonfiction learning skills. From shapes and baby animals to students in space, fiction and non-fiction Dolphins capture imaginations. With activities for every page of reading, the stimulating 'read and do' approach engages learners, practises language, and encourages critical-thinking skills. Talkative and friendly, bottlenose dolphins are always up for some fun. They love playing tag and racing through waves. These dolphins form strong relationships with each other, often communicating with many different sounds. A group of dolphins will hunt, travel,

and watch each other's backs. Learn more about these social creatures in this enthralling title for early readers. The Greek myths are celebrated as timeless stories in this collection by renowned author Bernard Evslin "The Dolphin Rider" is Arion, who lives in Corinth, a city near the sea. He longs to go on great adventures, but an oracle warns that if he embarks on a voyage, he will never return. When Apollo, the god of music, gives Arion a golden lyre for his twentieth birthday, Arion ignores the oracle's words and sets sail for Sicily. Everyone falls in love with his singing, and great treasures are heaped on him, but Arion is forced to contend with an unexpected foe: man's greed. "The Gift of Fire" introduces Prometheus, the young giant who fears no one, including Zeus, mighty ruler of gods and men. However, when Prometheus vows to bring his precious gift to every cave in the land, he makes multiple deadly enemies. This collection also features stories about Narcissus, destined to fall in love with his own beautiful reflection; King Midas, who loves only gold; Cupid, who must suffer the consequences when he is struck down by love; and the fatally curious Pandora. From the Newbery Award winning author of *Out of the Dust*. Mila becomes famous around the world when she is rescued from an unpopulated island off the coast of Florida. Years ago, Mila went missing from a boat crash, and she has been raised by dolphins from the age of four. Researchers teach Mila language and music. But she also learns about rules and expectations, about locked doors and broken promises, disappointment and betrayal. The more Mila finds out about what it means to be human, the more she longs for her home in the ocean... "Miss Marsh works her

characteristic storyteller's magic with the elements of theater and suspense.” —Kirkus Reviews The impresario Peregrine Jay has fulfilled a long-cherished dream: Thanks to a very generous gift, he now owns the Dolphin Theatre, and has restored it to its former glory. To celebrate the reopening, a no-expenses-spared production of *The Glove*, a new play about the discovery of a true Shakespearean accessory, is performed. London's chattering classes are abuzz with gossip about the theatre, rumors about Peregrine, critiques of the play. But when murder takes center stage, everyone gets very quiet, and only Inspector Alleyn can persuade them to start chattering again—this time, with a purpose. “Rich backstage atmosphere.” —*The New York Times*

Also published under the title *Death at the Dolphin* Did you know that dolphins have names for each other? Readers discover the amazing world of dolphin communication and more in this fun and informative book. Bringing abstract concepts to life with factual evidence, the book explores the function of life science in the natural world. Dazzling photographs will stimulate readers, and accessible language will aid developing vocabularies.

Luca, a young Italian boy, is bored until he meets a playful dolphin who takes him on a ride through the Venice waterways. The second exciting adventure in the dramatic *Legend of the Animal Healer* series! Martine is just getting used to her new life on the game reserve with her grandmother and the white giraffe, Jemmy, when she must go away. Her class is going on a trip?an ocean voyage to watch the sardine run, a spectacular natural phenomenon off the coast of South Africa. But the exciting adventure takes a dramatic turn when Martine

and several of her classmates are thrown overboard into shark-infested waters! They are saved by a pod of dolphins and end up marooned on a deserted island. Now the castaways must learn to work together, not only to survive but to help the dolphins who are now in peril. Inspired by the story of actual passengers on the ill-fated Lusitania, this is a novel of great adventure and suspense, including graphic novel-style illustrations. Avis Dolphin doesn't want to leave New York and sail to England on the Lusitania. War is raging in Europe, and the Germans threaten to sink the ship. Avis is lonely and afraid until she meets a kindly professor whose stories of a magical island help her face an uncertain future. When the Lusitania is attacked, Avis must draw on all her newfound strength to cope with the confusion, terror and despair. How can she survive the sudden devastation of the ship? Will the people she cares about, especially the professor, live through the horror and danger? The immediacy of Frieda Wishinsky's voice will engage readers in this thrilling story based on real events. They will identify with Avis and Professor Holbourn as they grapple with a stubborn captain, encounter German stowaways and contend with the feud between Avis's two cabin mates. In an atmosphere of growing anxiety, readers will be glued to the dramatic events as they unfold and the surprising fate of the people they have come to know. Willow Dawson's art depicts the stories the professor tells Avis in enchanting graphic-novel form. They provide a riveting magical element to the story, creating a story-within-a-story. Like Avis, readers will fall in love with Foula and will dream of the island long after they have reached the last page of this exciting story. Correlates to the Common

When a dolphin named Winter loses her tail in a crab trap, Sawyer and the staff at Clearwater Marine Aquarium help her survive against the odds. Dolphins? Who doesn't love dolphins? What about Amazon pink dolphins? This book is about educational values: friendship, animal freedom, math, and the meaning of life. We are all connected and we can help ourselves and others! Nature shows it to us all the time! Eons ago, down in the green depths of warm oceans, man had his basic origin. And although he evolved into a creature entirely of the upper air, he still has much in common with the air-breathing, salt water mammals who are his ancestral brothers. Except of course that the sea creatures have greater potential intelligence, are infinitely better adjusted to themselves and their environment. And have a much longer life span. The gentle dolphins knew exactly what to do when a small human baby fell into their midst. But neither they nor anyone else could foretell what would develop from this remarkable combination. . . This series offers friendly and accessible Greek myth retellings, with clear type and illustrations. Arion was the greatest poet in the world. who lived alone for eighteen years on an isolated island off the California coast when her tribe emigrated and she was left behind. Describes the rescue and rehabilitation of a young Atlantic bottlenose dolphin, named Winter, who received an artificial tail after being badly injured when caught in a crab trap. “[Anne] McCaffrey here adds yet another dimension to her colorful and vivid saga by focusing on the attractive dolphins and their highly believable society.”—Publishers Weekly

When the first humans came to settle the planet Pern, they did not come alone: intelligence-enhanced dolphins also crossed the stars to colonize Pern’s oceans while their human partners settled the vast continents. But then disaster struck. The deadly silver spores called Thread fell like rain from the sky, and as the human colonists’ dreams of a new, idyllic life shattered into a desperate struggle for survival, the dolphins were forgotten. Now, centuries later, as the dragonriders of Pern prepare to complete the momentous task of ridding their world of Thread forever, T’lion, a young bronze rider, and his friend Readis, son of the Lord Holder of Paradise River Hold, make contact with the legendary “shipfish.” And as the dragonriders grapple with the end of an era, T’lion, Readis, and the dolphins face the start of a new one: reviving the bond between land- and ocean-dwellers—and resurrecting the dreams of the first colonists of Pern. Deena Hoagland, LCSW, is director and founder of Island Dolphin Care, a not-for-profit organization in Key Largo, Florida. “Breaths That Count” shares her journey as the mother of a critically ill child who finds that the friendship of dolphins provides her with the answers to help her son while shaping her destiny to offer hope to countless others. This

is a must-read story of tragedy, adventure, creativity and healing.
