"Smart and sassy relationship expert Siggy Flicker is your new fairy godmother. Having matched more than a thousand couples and embraced her own second chance at love, she knows finding a prince is no picnic. Now she's sharing the keys to building a fairy-tale romance, beginning with an honest assessment of what you really want to be happy. To help readers create the healthy, lasting relationships they deserve, Siggy is sharing her honest, empowering advice, including: Define the relationship you want. Set an intention and true love will follow. Forget what looks good "on paper." Sure he's Mr. Right, but is he

right for you? Take a break from your dating rut with a Dating Cleanse. Step back and reevaluate your dating behavior. Learn how to make the most of the first five minutes. First impressions are important, so send the right signals. Happily-ever-after means forever. Continue to work hard to keep your relationship strong and passionate. Featuring practical exercises, real-life success stories, and lessons Siggy learned the hard way, Write Your Own Fairy Tale is a wake-up call for everyone looking for love--and a guide for making sure you get the happiness you truly deserve"-- Don't wait for your relationship to be in shambles before you seek relationship assistance. By reading Love Can Last, you and your partner will be able to get on the same page and succeed in your relationship. This book will even help couples that already have a good relationship. When we grow up, there is no relationship 101. We have to learn about relationships from watching our parents and their risky, trial-and-error approach. When we choose our partners, we are essentially taking a gamble that they are the one with whom we belong. By loving them we are gently placing our heart, mind, body, and soul in their hands. We can only hope that they will love and respect us enough to keep us safe from unnecessary heartache and stress. We can better prepare them for handling our emotions if we prepare ourselves for how we want to interact with our partner. This book will help you and your partner get on the same page in your relationship. These important topics in Love Can Last will help shift your perspective, so that each of you can take more responsibility for the way that your relationship works. Both partners have the power to steer the relationship clear of the pitfalls that lead straight to divorce. By reading Love Can Last, you will be able to incorporate key elements into your relationship that will

help you get through tough times and strengthen the foundation of your relationship, making you stand stronger together for many years to come. By realizing that God is there for you both and to help keep others from interfering in your relationship, you will stand united in your quest to keep your partner happy. If you can forget about the concept that a relationship is 50-50 and give 100 percent to your partner, you will see a huge difference with how you treat each other. Couples seek real intimacy. Yet so few achieve it. The hurdles are especially high for Black couples. Intimacy is fundamental to sustaining a healthy romantic relationship. With true intimacy, partners allow themselves to be open and vulnerable; to discuss emotions, experiences, and needs freely. They rely on each other for safety, both physically and emotionally. In *Into-Me-See*, licensed therapist Dr. Jeannelle Perkins-Muhammad explores the cultural and personal factors that can make it challenging for Black couples to develop and maintain intimacy. The book's title comes from a cultural idiom that describes the ability to look beyond the physical and look deeper to see the greater connection to another person. Unique among books on intimacy, *Into-Me-See* explores specific cultural issues affecting Black couples, including how a history of slavery and the ongoing racism in America have created relationship expectations that often work against intimacy. Other topics include—

- The four different levels of intimacy—physical, cognitive, emotional, and spiritual—that must be addressed to deepen our intimate connections.
- The importance of bringing mental and emotional challenges into the open, so that they can no longer sabotage efforts to become more intimate. Real-life stories from Dr. Perkins-Muhammad's work show how Black couples have overcome the challenges they faced to find the deeply intimate and rewarding relationships we all seek. Whether you are in a brand-new relationship or have been with your partner for decades, *Into-Me-See* will show you how to take the first steps to a deeper, long-lasting intimate relationship. I know of no better guide for couples who genuinely desire a maturing relationship.

M. Scott Peck, author of *The Road Less Traveled* A remarkable book the most incisive and persuasive I have ever read on the knotty problems of marriage relationships. Ann Roberts, former

president, Rockefeller Family Fund From the provocative and hilarious EGOT winner, bestselling author, and host of *The View*, Whoopi Goldberg, comes the perfect antidote to all those outdated relationship advice books in the world, weighing in on why marriage isn't for everybody, and how the life you want shouldn't be the life everyone else expects you to have. Whoopi Goldberg has been an electrifying, envelope-pushing public figure of many stripes: acclaimed actor, comedienne, singer, songwriter, author, political activist and talk show host. Now, Whoopi will speak openly about why marriage isn't for everyone, how being alone can be satisfying, and how what's most important is understanding who you are and what makes you happy. Wise, funny, and conversation-starting, Whoopi's message is sure to resonate with the millions of people who struggle with relationships every day. Goldberg says: "I get to hear from a lot of different people about relationships and this got me trying to figure out why the divorce rate is SO high. It occurred to me that as one who has done it badly often, I might have some insight. It's hard to really know the other person's agenda, but if someone says 'you complete me'...RUN!!!" Discover the ten myths sabotaging your love life, and the practical, science-backed tools you can use to reveal your relationship's hidden strengths and build a fulfilling, long-lasting bond. Dr. Gary W. Lewandowski Jr. is a nationally recognized expert on the psychology of relationships. In his first book, he blends hot-off-the-press science, engaging writing, impactful examples, and fascinating stories to present an impressive range of refreshing and eye-opening set of insights. For instance, did you know that . . . To forecast your relationship's future, you are the worst person to ask. Men are the real romantics in heterosexual relationships, not women. The amount of sex you should have to keep your relationship going strong is lower than you think. It's okay to be selfish. Putting me before you, can help both of you. When it comes to closeness, you can have too much of a good thing. Struggles actually strengthen your relationship. In terms of partner support, what you're not seeing is more important than what you notice. When your relationship doesn't help you become a better person, ending it does. A

bold, fresh take on what it means to love and be loved, *Stronger Than You Think* will help you more confidently and accurately view yourself and your relationship—so that you can fully appreciate the love you have, or find the one you want and deserve. Develop the skills for a loving relationship that is ever-deepening by learning how to communicate effectively in your relationship today! As you are already aware, relationships will experience hiccups. However, how you handle these, interact with one another, and develop through them can either put you on the path to a love that grows deeper over time or lead to rifts that never seem to heal. Fortunately, that's the reason this book was created. First off, having good communication skills is crucial to having any kind of long-lasting, healthy relationship in your life, but it's especially crucial when it comes to your significant other. Learning to communicate with your partner will not only help you avoid future arguments, get over your anxiety, and build trust, but it will also give you the assurance that you can talk and communicate through anything that comes up with them. To put it mildly, the importance of that alone should not be underestimated. Couple skills are how you will continue to improve your mutually effective communication as you delve deeper into each other's desires, personalities, and relationship expectations. Additionally, it will offer the framework for ongoing conscious connection and growth. You will have laid the groundwork for the amazing relationship you and your partner deserve by combining both the effective communication skills and the couple skills you'll develop from reading and putting the information in this book into practice. Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language—quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in

the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called *A Love Language Minute* that can be heard on more than 150 radio stations as well as the weekly syndicated program *Building Relationships with Gary Chapman*, which can both be heard on fivelovelanguages.com. The *Five Love Languages* is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running! How do you fall back in love? This was the underlying problem of one in four couples seeking help from relationship therapist Andrew G. Marshall. They described their problem as: 'I love you but I'm not in love with you'. Noticing how widespread the phenomenon had become, he decided to look more closely. Why were these relationships becoming defined more by companionship than by passion, and why was companionship no longer enough? From his research Andrew has devised his own unique programme. By looking at how a couple communicate, argue, share love, take responsibility, give and learn he offers in seven steps a reassuring and empowering map for how two individuals can better understand themselves, strengthen their bond and recover that lost magic. "For those looking for a smart, no-bullshit, effective guide to finding love, look no further."—Esther Perel, author of *Mating in Captivity* "While I'm not sure what Carrie Bradshaw would have made of today's new world of dating, I do know this: armed with *Love Rules*, she would have figured it all out in one season."—Sarah Jessica Parker *SHERYL SANDBERG EMPOWERED WOMEN TO LEAN IN ARIANNA HUFFINGTON ENCOURAGED THEM TO THRIVE NOW, JOANNA COLES GUIDES THEM ON THEIR MOST IMPORTANT JOURNEY: FINDING LOVE* Just as there is junk food, there is junk love. And like junk food, junk love is fast, convenient, attractively packaged, widely available, superficially tasty—and leaves you hungering for more. And both junk food and junk love require enormous amounts of willpower to resist. Social media and online dating sites have become the supermarkets of our relationship

lives. You have to wade through rows of cupcakes and potato chips to find the produce aisle, where those relationships grounded in intimacy and trust live—the ones worth your investment. A diet book for romantic relationships, *Love Rules* first asks women to re-assess the way they think about their relationships, and then helps them use that newfound awareness to navigate their love lives more successfully in this very modern, fast-paced—and often lonely—digital age. In these pages leading media exec and former Editor in Chief of *Cosmopolitan* and *Marie Claire* Joanna Coles provides a series of simple guidelines for finding worthwhile love: fifteen rules—love "hacks." She also explains how to use dating apps effectively to expand real world connections and how to avoid DADD—dating attention—deficit disorder, where the tantalizing promise of someone better appears to be only the next swipe away. *Love Rules* will enable you to identify what you want in a relationship, when you should pursue it, and how to find it. Love is a great beautifier. A happy relationship depends on perfect balance, and even the slightest shift in balance can change how one or both partners view the relationship. If you've got it all and you've ever felt like your partner is giving it all, it's only a matter of time before the relationship sours. Knowing the signs that you are in selfish relationship whether new or old romance will help you better manage your relationships. And those involved will be happier too! Adams Kenneth, a clinical psychologist, one of the world's leading experts on relationships, reveals signs that will help your relationship, whether a new or an old romance. If you're having trouble in your relationship, the problem isn't you. The problem is your system. Failures in relationship repeats itself again and again because you don't know the signs and how to make changes in your relationship all these years. But don't be weary, you are in the right place, where you will know the signs of selfish relationship whether new or old romance. Adams is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life. Here, he draws on the most proven ideas from past relationships to create an easy-to-understand signals for making good and healthy relationship. You are selfish if: -You believe your partner nags you; -You want it your own

way; - Your partner usually gives in; - You don't apologize; ...and much more. The selfish relationship will reshape the way you think about your relationship, and give you the guide and strategies you need to transform your life. "What the heck is my partner thinking?" is a common refrain in romantic relationships, and with good reason. Every person is wired for love differently, with different habits, needs, and reactions to conflict. The good news is that most people's minds work in predictable ways and respond well to security, attachment, and rituals, making it possible to actually neurologically prime the brain for greater love and fewer conflicts. *Wired for Love* is a complete insider's guide to understanding a partner's brain and promoting love and trust within a romantic relationship. Readers learn ten scientific principles they can use to avoid triggering fear and panic in their partners, manage their partners' emotional reactions when they do become upset, and recognize when the brain's threat response is hindering their ability to act in a loving way. By learning to use simple gestures and words, readers can learn to put out emotional fires and help their partners feel more safe and secure. The no-fault view of conflict in this book encourages readers to move past a "warring brain" mentality and toward a more cooperative "loving brain" understanding of the relationship. Based in the sound science of neurobiology, attachment theory, and emotion regulation research, this book is essential reading for couples and others interested in understanding the complex dynamics at work behind love and trust in intimate relationships. Most couples — because they watch so many of their peers divorce and are themselves the products of failed marriages — don't have many successful long-term-relationship role models. Parenting and communication issues are perennial, while some challenges, like increasingly 24-7 work lives and economic hardships, mark the current decade. Despite all this, psychotherapist and clinical social worker Marcia Naomi Berger asserts that most couples can make love last — they just need to learn how. Berger answers this need with a deceptively simple prescription: have an interruption-free thirty-minute (or even shorter) meeting each week and follow an agenda that includes the kind of appreciation and planning for fun that foster intimacy and

pave the way for collaborative conflict resolution. Berger has refined these techniques while working with hundreds of couples — with results that are both practical and profound. Do you want to improve your relationship? Do you want to boost your communication skills? If so, this is THE book for you! Communication in Relationships helps couples better their relationship and find understanding and harmony. Did you know that communication hurdles and misunderstandings are the top causes of conflicts in relationships? Did you know that not knowing how to communicate your feelings, frustrations, and concerns the right way can cost you your partner? This book will help you learn how to use effective communication methods and avoid communication pitfalls. You will learn how to nurture communication as an essential part of your relationship. Maintaining good communication in good and bad times is the key to savoring your relationship. It's like the finest wine, which becomes better and better as the years pass. However, that's often easier said than done. This book not only deepens your understanding of what good communication is but also lets you practice it so that you and your partner grow together instead of growing apart. Here, you will learn how to nurture love and respect through sharing, trust, and intimacy. You will learn how to boost your relationship through honesty and secure harmony through resilient conflict-solving, responsibility, and active participation. If you're looking for a comprehensive guide to communicating more effectively with your partner, this is the right book for you! What does Relationship mean? How can you enhance a relationship? How can sex, and affection, contribute to the success of a relationship? How can past wounds affect friendship? How do you manage your anger? How to apologize? How to know your partner? How do you handle a disagreement with your partner? Read More... A relationship is a state where there is a connection between two people. The connection can be by blood, emotions or interactions. In a relationship, trust is essential, and that will grow the connection between partners. Thanks to trust, two people can live their relationship with stability and will be free to express their interests, dreams, and goals because they will be sure of the support of a partner. They will be free

and at the same time, this trust and freedom will tie two people in a strong relationship. You need to know that communication is essential when it comes to expressing yourself to your partner. That will help you to manage and solve conflicts that might come out along the way. You need to show empathy so that your partner can be sure that you care about them. Learn how and when to apologize it's right, even if you are not on the wrong side. That mindfulness will help your relationship to stay healthy. Get to know your partner deeply, in that way, you will know if this relationship worth it and if should you stay or should you go What do you expect to learn from this book? Find out what is a relationship, and the ways to strengthen it. Learn how to communicate effectively in a relationship. Know how to handle some aspect of your partner and how to talk with Him/Her in case of a disagreement. Seek to know how to manage conflicts as well as anger so that you can have a healthy relationship. Find the mindset that you need to adopt so that you can have empathy. Learn the approaches to use so that your relationship will work out. Seek to know simple and basic things that you can do to please your partner. Learn to embrace and respect your partner with emotional support when they are in need. Know the role that intimacy plays in any unions. Thirty Questions to Get to Know Your Partner 285 Thought-Provoking Conversation Starters Finally, find out the spiritual values that will help you live a healthy life This and much more. Here, All the information you need to be a better partner. Would you like to know more? Buy Now this practical Guide to know more about relationships and how to better handle issues that obstacle your relationship. Scroll up the page and make sure you hit the "buy now button " Have you been unlucky in love and are tired of the romantic roller coaster ride? Are you wondering if you should even try anymore? Do your relationships often leave you in a luxury suite at the Heartbreak Hotel? Do you want to understand why you make bad relationship choices? Is it time to move on but you don't know how? If the answer to any of these questions is YES, then you will find the answers you need as you answer these 37 Questions! You will learn about: Your relationship patterns Lessons learned from your past relationships Relationship sustainability and

functionality Your expectations and deal breakers Your motivations How to choose partners wisely And most importantly - HOW to stop your relationship pain. Are You Ready for a New Relationship? These 37 Questions Will Help You Decide! is a guide that will help open your mind and steer you toward the successful relationship that your soul and mind have been waiting for. When asked if they are ready for a relationship, many people will proclaim from the mountaintops, "Yes! I am ready!" But if you ask them what sacrifices they are willing to make for a successful, fulfilling, nurturing relationship, the story changes rapidly. Most people don't want to make changes or adjustments. They want a new partner to accept or adjust to the way they are, complete with all of their issues, childhood trauma, previous relationship residue, and baggage of every size, shape and color. However, starting a new relationship without addressing the past and preparing yourself for a new kind of relationship will most likely produce a relationship with the same outcome as your previous relationships. To have a new kind of relationship, you may have to be a new kind of you. If you stay the same, expect the same. This book will gently guide you in a new direction to open your thinking and address your issues. It will help you clearly identify your wants and needs and address your past in a positive and meaningful way. Tools will be provided to help you easily recognize your relationship patterns, analyze your past relationships, understand what contributions you make to relationship dysfunction, learn how to make a good relationship choice, and realize how to know what you want and get it. With this knowledge, you will become a better you and make informed choices so that you don't keep dating the same guy/girl with a different name. In order to attract a more compatible partner, you must be able to recognize Mr./Ms. Wrong before you try to make him/her Mr./Ms. Right. Finding a mate and committing to a relationship is one of the most important decisions anyone can ever make. There are few things that will affect the trajectory of your life more than the person you choose to partner with or marry. To get it all, you have to give it all. Great relationships don't just happen as a fluke; they take work, work and more hard work. Work that will provide a great reward when you find "your

happy" with the right person. Before you invest your time, energy and emotions, you have to make sure the relationship you are giving your all to is the right one. Additionally, you have to ask yourself where you want to go in life and whether the mate you chose will serve as a hindrance or a help. If you have the wrong mate, he/she can prohibit you from achieving some of your goals. Are you ready for a relationship? This is a question that requires absolute honesty, consideration and self-reflection. America's leading marriage experts distill the secrets to a happy marriage into 10 simple truths. They distill what they've learned from decades of research, their counseling with married couples, and their own 30-year relationship, into 10 essential and provocative truths about marriage. Have you ever stopped to ask yourself if you really want a relationship? And if you do, what would you really like to create? RELATIONSHIP. Are you sure you want one? This is not your average relationship book. There is no 'sugar coating, ' just practical tips and tools written from the authors, Simone and Brendon, so you can have both the male and female perspective. Warning: you might not like what you hear! Ladies, the man in your life didn't ask you to come along and change him into what you have decided is the perfect man for you. Brendon Watt Refreshingly honest, the book talks about: - Why there is no perfect relationship - Why you are the valuable product - The keys to intimacy - Choosing for you - Why gratitude is the key to letting go of judgement Relationship. Are you sure you want one? Is a totally different way of looking at relationships. To me, relationship is about two different people who have chosen to be together for a space to create something that is far greater than each of them could create alone. Simone Milasas If you would like to have a great relationship, whether it is with someone else or with yourself, then this book might just be for you. relationshipareyousureyouwantone.com A step-by-step guide for women to transforming your love life practically overnight. "Very wise . . . Give this book to every single girlfriend [you] have."—Marie Claire If you're looking to get married and you're not, there's most likely a very good reason: you. Hey, you're certainly not a bad person! You just haven't yet become the woman you need to be in order to have the partnership you

want. That's where this book comes in. Based on her wildly popular Huffington Post article, Tracy McMillan's *Why You're Not Married . . . Yet* dishes out no-holds-barred practical wisdom for women hoping to head down the aisle. And this new edition features even more candid advice and sisterly insight. McMillan points out the behaviors that might be in your blind spot and shows you how to adjust them to get the relationship you deserve. Do any of these chapter headings sound familiar? • You're a Bitch: How defensiveness can hide behind a tough exterior, and why being nice is never a sign of weakness. • You're a Liar: How to stop lying to men—and get honest with yourself—about the kind of relationship you really want. • You're Selfish: The big secret about marriage: It's about giving something, not getting it. A funny, insightful guide, *Why You're Not Married . . . Yet* will change your life and the way you think about relationships, and it may very well lead you down the aisle. "Equal parts BFF, boot-camp instructor, and relationship guru, Tracy McMillan will change the way you think about yourself and your relationships. This book is for every woman out there who wants to have a great marriage."—Ricki Lake "For those looking for a smart, no-bullshit, effective guide to finding love, look no further."—Esther Perel, author of *Mating in Captivity* "While I'm not sure what Carrie Bradshaw would have made of today's new world of dating, I do know this: armed with *Love Rules*, she would have figured it all out in one season."—Sarah Jessica Parker **SHERYL SANDBERG EMPOWERED WOMEN TO LEAN IN ARIANNA HUFFINGTON ENCOURAGED THEM TO THRIVE NOW, JOANNA COLES GUIDES THEM ON THEIR MOST IMPORTANT JOURNEY: FINDING LOVE** Just as there is junk food, there is junk love. And like junk food, junk love is fast, convenient, attractively packaged, widely available, superficially tasty—and leaves you hungering for more. And both junk food and junk love require enormous amounts of willpower to resist. Social media and online dating sites have become the supermarkets of our relationship lives. You have to wade through rows of cupcakes and potato chips to find the produce aisle, where those relationships grounded in intimacy and trust live—the ones worth your investment. A diet book for romantic relationships, *Love Rules* first asks

women to re-assess the way they think about their relationships, and then helps them use that newfound awareness to navigate their love lives more successfully in this very modern, fast-paced—and often lonely—digital age. In these pages leading media exec and former Editor in Chief of *Cosmopolitan* and *Marie Claire* Joanna Coles provides a series of simple guidelines for finding worthwhile love: fifteen rules—love "hacks." She also explains how to use dating apps effectively to expand real world connections and how to avoid DADD—dating attention—deficit disorder, where the tantalizing promise of someone better appears to be only the next swipe away. *Love Rules* will enable you to identify what you want in a relationship, when you should pursue it, and how to find it. The Relationship Project will challenge you to work on specific areas of your life. You can improve how you interact with others, and in turn, how they interact with you. "The most crucial relationship advice book since *Men Are from Mars*."—Erin Meanley, *Glamour.com* A groundbreaking, interactive relationship tool that literally places in the hands of couples the power to transform chronically frustrating relationship dynamics. We've all been there. A conversation with a loved one escalates into conflict. Voices rise to a fever pitch and angry, accusative words fly through the air. At times like these, it seems impossible to find the magic words that will lead to healing. Enter *Talk to Me Like I'm Someone You Love*. A psychotherapist with decades of experience in counseling couples, Nancy Dreyfus hit upon the revolutionary practice outlined in this book during a couples-therapy session in which a wife's unrelenting criticism of her husband was causing him to become emotionally withdrawn. In the midst of this, Dreyfus found herself scribbling on a scrap of paper, "Talk to me like I'm someone you love," and gestured to the husband that he should hold it up. He did and within seconds the familiar power differential between the two shifted, and a gentler, more genuine connection emerged. Dreyfus was startled, then intrigued, and then motivated to create a tool that could help others. This book features more than one hundred of Dreyfus's "flash cards for real life," written statements that express what we wish we could communicate to the person we love, but either can't find the right words or the right tone in

which to say it. The statements include: • Taking responsibility: "I realize I'm overreacting. Can you give me a minute to get sane again?" • Apologizing: "I know I've really hurt you. What can I do to help you trust me again?" • Loving: "You are precious, and I get that I haven't been treating you like you are." A one-of-a-kind, practical relationship tool, Talk to Me Like I'm Someone You Love will help couples to stop arguing and begin healing. Having a passionate and satisfying relationship is not a myth, it is a lot learning and working together. If you really want to have a successful relationship you need practical advice on specific aspects of your relationship. Steve Johnson is transparent with stories of his own failing and what he learned in order to continue to grow his relationship with Lynne. This is a positive, fun book that will help you understand areas of your relationship that you might have overlooked. Live Happily Ever After is written by a former pastor who officiated at over 500 weddings. In addition to preparing couples for marriage, he spent countless hours helping couples understand how they can solve the problems they were experiencing. This book is a must read for couples that want to solve problems and reach their potential. Live Happily Ever After is a straightforward comprehensive guide to build every area of your marriage. Steve is also the author of the online relationship assessment www.LiveHappilyEverAfter.com. This book is a perfect companion to the assessment or a wonderful book on it's own. This book will help you to understand where exactly the real challenges are in your relationship and guides you to solve those problems with practical and applicable advice. This will become your textbook for building the relationship of your dreams. Steve and Lynne Johnson have been married for over 42 years and although they have faced many challenges, the lessons shared in this book helped them to build a strong and satisfying marriage. When you're dating or married to the right guy, life couldn't be better. What happens though when the man of your dreams starts behaving badly and your relationship becomes a living nightmare? What can you do to stand strong, make the right choices and not lose your mind? Unfortunately, I know more on the topic of men behaving badly than I wish I did. You see, I was the guy whose bad behavior almost cost

me my marriage. I reluctantly call myself a loser, because I almost lost the most important people in my life; my wife and children. After separating twice from my wife and on the verge of divorce, I fortunately learned how to change. My hope now, is to use the things I discovered to help you become a lot stronger and smarter. So, if you are dating or married to a man who is behaving badly, this book will give you the practical skills needed to build the type of relationship you desire. The good news is your life can go in a completely different direction, and if you're willing, that exciting journey can start now. I wish you every success in love and life. Enjoy reading this book. "This book helped me discover that happiness lies within the choices we make. It is a choice to be happy and this book gave me the strength to make the right ones." (Liz Lawrence) "Having been in a long term relationship since a teenager, I was beginning to feel that my unhappiness was just what I had to live with. However, I found from the tips and advice given in this book, that it wasn't true. It helped give me the courage to turn my life around and I'm forever grateful. Thank you." (Becky Foster) CONTENTS: Introduction Chapter 1: Is There A Misbehaving Man Lurking In Your Life? Chapter 2: W.A.T.C.H O.U.T. - There's A Bad Boy On The Loose! CONTACT: Please feel free to contact us via www.agreatcouple.com Do you have questions about where you are in your relationship? Should you stay? Should you go? Are you gearing up for the next phase? Or is it time for closure? If you've asked yourself any of those questions, this book is for you! In Zo

Williams' new book, *The Relationship Dismount*, he will teach you how to identify the attitudes and behaviors that have been holding you back from being your best or your happiest self. He will help you figure out what is worth keeping, what we need to stop doing, and what we need to begin doing to have a healthy relationship. Zo will demonstrate to you how to effectively end the relationship without causing irrevocable damage to yourself or your partner. In this book, you will learn that wisely executed relationship dismounts build strong foundations for future relationships. Zo Williams is a self-published author, certified relationship specialist, television, and radio personality. A student of world religions, he is a passionate and opinionated dynamo who offers revolutionary thoughts about the breakdown of social systems and institutions and how they impact human relations within the urban/alternative community. Dubbed as "Tupac meets Deepak," or the "The Hip Hop Dr. Phil," Zo lends a unique perspective to the relationship coaching world. Currently, Zo is the host of two shows, *The #ZoWhat? Morning Show*, which is under the DashRadio network and *The Voice of Reason* (formerly on Jamie Foxx's Foxxhole/Sirius XM) can now be heard on DashTalk Radio on DashRadio.com. Discover how the secrets of Personality Type can enliven your love life! Learn the real reason why your strong quiet type has trouble expressing his feelings. Or why your social butterfly is always flirting...or why the neatnik in your life just can't leave that dirty sock where it is...or why the hopeless romantic really is blinded by the stars in his eyes. Whether you're evaluating a new relationship or looking to strengthen the one you have, this savvy guide will provide fresh insight into the mysteries of love. Barbara Barron-Tieger and Paul Tieger explain that it's not gender but personality type - your natural tendency to be outgoing or quiet, methodical or whimsical--that rules the way men and women relate. Drawing on twenty years of experience as well as groundbreaking new research, they explain everything you need to know about Personality Type, and offer an individualized approach to improving your love life. Once you've discovered which personality type describes you and your partner (or potential partner) best, you'll recognize your own behavior

patterns, understand more about your partner's strengths and quirks, and learn You might like having a life partner once the novelty of a new relationship has worn off. As you draw nearer, the sparkles get smaller. Some couples don't keep their promises. Rekindling the romance and expressing your affection for the person you're with is never too late. What traits should a good husband possess? Is it vital to stay with a life partner who is devoted, successful, and financially secure? The intended readership for this book consists of single women looking for love, married women aiming to support their husbands' personal development, single men looking for the woman of their dreams, and married men hoping to better provide for their families. Many women wonder why incredibly devastating romantic relationships with men come to an end. A common misconception among women is that unsuitable men would change if they choose them for marriage or committed partnerships. These terrifying possibilities contain both elements we want and those we don't. It can be challenging to balance needs and wants in romantic relationships. You would anticipate a tall, gorgeous, likable, and powerful business executive. Despite all of his successes, he can have character flaws that prevent him from being a good match for you. Usually, when two people in a relationship disagree, we assume there must be a problem. When in fact it happens spontaneously. Spending so much time with someone makes it unavoidable, especially if you decide to get engaged. There are positives to consider despite the fact that it's unpleasant and occasionally harmful. Love is the most wonderful and joyful thing in the world. Love could actually hurt your rear. It's hard to be in relationships. Older people are nodding, while younger people are presumably placing their fingers in their ears and saying their favorite sayings, I was aware of this. Relationships take work. They don't necessarily quickly become affluent. They need constant care and attention. It will fade and vanish if you don't strengthen it. The pair must be able to handle its ups and downs if they want to maintain a healthy, happy relationship. Relationships can be like worn-out shoes that we continue to wear even if they are no longer cozy. However, ease is not always a reflection of a life that has been well-lived. Grab your copy now

to read and enjoy the significance of this book in detail. A helpful guide for married couples to keep the passion in their marriage, far beyond the honeymoon. Each chapter gives practical exercises to help uncover problem areas and inspire ideas to improve your relationship. Better Love Next Time offers help in coping with the pain and heartache of a bad breakup, but more than that, it reveals how to overcome the lingering damage that a broken relationship can leave behind and heal your romantic soul. J.M. Kearns presents a simple (and entertaining) way to diagnose what went wrong so history won't have to repeat itself, and explains how to decode the "guide to compatibility" written in your own past. Witty, frank, and full of real-life stories, Better Love Next Time ensures that when you do find a new love, you will arrive whole, renewed, and empowered to make it the one that lasts. A guide to restoring trust in broken relationships from a renowned couple's therapist. Is my relationship worth saving? Will the trust ever come back? How can things be good between us again? Whether broken trust is due to daily dishonesties, a monumental betrayal, or even a history of hurts from the past, it can put a relationship at risk. This is the first book to show you exactly what to do to restore trust in your relationship, regardless of how it was damaged. In this complete guide, couples therapist Mira Kirshenbaum will also help you understand the stages by which trust strengthens when the rebuilding process is allowed to take place. And you will learn how the two of you can avoid the mistakes that prevent healing and discover how to feel secure with each other again. Use these laws of attraction to effortlessly attain your heart's desire. "If you don't need it, you are more likely to attract it." If our emotional needs are unmet, we repel what we most desire. When we've fulfilled our needs--such as the need to be cherished, the need to be heard, and the need for harmony--we are naturally attractive to potential love interests. "Like attracts like." When we are fully living our core values, we effortlessly attract others with similar values. It sounds simple. The trick is learning how to apply these laws in your everyday life--and international bestselling author and noted life coach Talane Miedaner shows you how. This easy-to-follow guide provides a comprehensive quiz

to help you identify your top four emotional needs and includes step-by-step instructions on how to meet those needs. Once you start embracing your passion and living your dreams, you instantly become more attractive to others. It's truly the "effortless" way to find and keep the love of your life. "Talane is a masterful life coach--she is the living embodiment of the laws of attraction." --Sandy Vilas, MCC, CEO of Coach U, Inc. If you have experienced a hurting heart from a broken relationship, consider yourself fortunate. You already possess the foundation necessary to rebuild that relationship. Score a point for you! Now you are interested in rebuilding that relationship. Score another point for you! Now you are going to gain the wisdom to rebuild that relationship. Three points for you! You will rebuild the relationship. You win and so does everyone who is connected! You reach the goal, answer the high calling and win the prize! To be honest with you, this is going to take some work and there's going to be a fight. I always wondered what people meant when they said, "We're working on our relationship." What in the world are they doing? You are not going to wave a magic wand or recite a certain prayer and see your relationship magically changed. I didn't say that prayer wasn't involved, but there is a lot more work than that. You are going to be actively involved. You will also be on the front line of the battle for your relationship. It's been said that anything worth having is worth fighting for and you will be doing a lot of warfare. It's you and God against the Devil and his relationship-breaking demons. The Bible says that scripture is inspired by God and useful for teaching. I believe that. I wrote this book to teach the principles in Nehemiah to one of my friends who is in a broken marriage. I hope that she will read it, do what Nehemiah did, rebuild her marriage, and live in a relationship with joy ever after. I am publishing this book so that you can do the same, no matter what kind of relationship you desire to restore. Falling in love is a thrilling, transcendent experience . . . but what about staying in love? Once the intense excitement of a new relationship starts to fade, you may think your only options are to somehow recapture that early magic or settle for a less than fulfilling love life. Now love, sex, and relationship expert Laura Berman, Ph.D., taps the latest scientific and metaphysical

research to offer an inspiring alternative: a higher level of love beckoning you to move forward, not backward. Using the essential truth we've learned from the study of quantum physics—the fact that at our molecular core, each of us is simply a vessel of energy—Dr. Berman explains how you can use what's happening in your inner world to create a level of passion, connection, and bliss in your relationship that you've never imagined possible. Drawing on her clinical practice and case studies as well as her personal journey, she guides you to:

- Plot your unique energetic frequency of love with her Quantum Lovemap
- Work consciously with the energy of your body, heart, and mind
- Make four key commitments designed to raise your energetic profile
- Bring your frequency into harmony with your partner's so that you can grow together
- Learn how to have Quantum Sex (which is every bit as good as it sounds)

Quantum Love is the best possible experience of love, and it's available to absolutely everyone, whether you're seeking a mate, in a relationship that's struggling, or just finding that love has turned lackluster through the stresses of life. You can't go back to the honeymoon phase, but there is something so much better within your reach. Quantum Love lets you reach new heights of intimacy as you gain a fuller sense of purpose in life and love. When did we stop loving ourselves? Throughout their lives, women have been told to put others first and to judge themselves based on what others think. Too many women race desperately through life, trying to please others. Author Shivani once lived that life. She became an engineer, but that life didn't fulfil her. To make matters worse, she was in an unhappy relationship. Despite a successful career and her work as an international keynote speaker, Shivani, like many women, struggled with issues of self-esteem and self-love. During a trip to Nepal, Shivani realised that in order to know happiness, she had to learn to put herself first. Now a successful speaker author and mentor, she seeks to inspire every woman who has endured low self-esteem, abuse, betrayal, and more. Loving yourself is not a selfish act. By investing in your own selfworth, you can become a better mother, partner, grandmother, businesswoman, or employee. By putting yourself first, you can actually help others more effectively and

joyfully. Women who truly love themselves are a great benefit and gift to their families, children, employers, and communities. The relationship you have with yourself is the longest and most important relationship you will have in your life. Are you ready to truly let go of your past? Are you ready to truly believe in yourself? Are you ready to evolve into the loving woman you've always wanted to be? This book will help you to stop struggling and working on your relationship and instead create positive, lasting change at the source of all of relationship issues: you as a partner. This book will help you to become the kind of woman or man that has the relationship you desire by teaching you to:

- * shift your mindset and this will cause you to naturally act in new ways that will create a close and loving relationship.
- * to take control of your moods before you react
- * forgive quickly and return to good feelings
- * apologize in a way that will wipe the slate clean
- * reach a state of acceptance and unconditional love for your partner
- * see the best in your mate
- * inspire more love from your mate
- * bring out the best in him/her
- * experience more joy, play and laughter in your relationship
- * fall in love with yourself as you improve the relationship
- * quit the self defeating behaviors that destroy relationships
- * shine your lovable, authentic self instead of "shrinking" and becoming lost in your relationship
- * to decide what you truly want in a relationship and develop a plan to get it
- * adopt empowering beliefs that will help you to love and connect more deeply and have a relationship that is better on every level
- * remain aligned with a loving and joyful relationship on a daily basis by developing new, empowering habits
- * tap into your inner guidance and make the best decisions for yourself and your relationship

The change this book will help you to stop struggling. People try to force ourselves (and the other person) to change their behaviors. There are two things wrong with this approach: first it is not sustainable and second, this will only create change on the surface. Although your behaviors are what ultimately create your relationship, you want to get to the source of your behaviors. Changing your behaviors without getting to the source is like trying to bail out a flooded boat without finding and fixing the leak. You'll struggle, and eventually give up. Imagine how amazing your relationship

would be if you could align your thoughts, moods, beliefs, intentions and actions with love, joy, peace, passion and harmony until it becomes effortless. This is what this book offers instruction on. If you follow through and do the exercises in this book regularly, the results WILL be a joyful, close and loving relationship. The principals in this book are mental, emotional and spiritual and they will require a new way of thinking on your part. They will challenge you to go much deeper than you are likely accustomed to. This isn't about "getting" someone to fall in love with you, it's about becoming the kind of partner that sustains true love for a lifetime. Learn how to Create the Love you've always wanted. It's never too late. You can do it now! Create the Love of Your Dreams is a Step-by-Step power-packed Relationship Manual that teaches you how to: * Eliminate self-sabotaging habits standing in the way of your dream relationship * Regain creative control over your relationship destiny * Envision the exact attributes you are looking for in your love relationship * Have joyful focus and clarity without fear * Relax and let the Universe deliver your hearts desire * Discover how powerful you truly are For how long have you wanted your ideal relationship and kept attracting duds! Or worse, sat on the sofa every Saturday night, tired of the dating scene? Your married friends are starting to wear thin. Deep down you truly don't want to spend another Holiday without a partner. Well, I've got news for you. There is NOTHING WRONG WITH YOU! It's just that there's something you haven't learned about how to create and attract the kind of relationships you want in your life! In Create the Love of Your Dreams, you will... * No longer be mystified as to what went wrong when a relationship goes south * Take stock of your beliefs about relationship * Be crystal clear as to how you are getting what you are getting in your current relationships * Learn how to create your mate to your own specifications Learn the tools, develop the skills, embody the knowledge, and trust in the wisdom to create, attract and allow into your life the relationship of your dreams... ...and live happily ever after. Nanette Geiger is speaker, coach and best-selling author of e/books and articles focusing on Law-of-Attraction based Self-Mastery and Relationships. TESTIMONIALS: Nanette's love of life, her bountiful energy and her deep-seeded passion fill the pages of her new book. Deborah Harrell Meehan, Founder, Wild, Wacky, Wonderful Women of the World, NC Nanette Geiger has taken the Hero's Journey, she returns transformed, with wisdom and insights for the rest of us. As Nanette shares her journey of the heart and lights the path for others, you truly will be encouraged, inspired and empowered to create and attract the life of your dreams! Kate Corbin, Law of Attraction Life Coach, CA REVIEW: Nanette Geiger does not just talk the talk; she walks the walk. I m no stranger to Law of Attraction or Abraham-Hicks, but it is rare to meet someone with such a precise working knowledge of the principle like attracts like, and Nanette Geiger is that someone. What a wonderful gift to read a book that applies this principle solely to the art of creating and attracting our intended life partners! From page one, Geiger has assured her readers that we have been divinely guided to this book, and we feel as if she is speaking directly to us. And she is in a voice that is straightforward, smart, and energized. Moreover, Geiger shares her human vulnerability and mistakes with her readers, assuring us that we all struggle at times. I take comfort in knowing that she s been in my shoes, and that she's rooting for me. Reading this book is like receiving a one-on-one coaching session with Geiger whenever you want it. And you not only get a wise coach, but also an honest friend The book is well-written and organized, supported by referenced material, inspirational and true stories (hers and others), a bit of sass and humor, and helpful analogies, metaphors, and examples. Even the cover serves as an invitation to relax, have fun, and create the relationships of our dreams. I am certain that the universe guided me to this book in response to my intention to create and attract the relationship of my dreams, and that it is manifesting as I type these words. If you are open and receptive, you too will feel the instant shift. And before you know it, youll be exchanging wedding vows. Elisa Lorello, Author and Writing Professor You've done it before. Saw something wrong with him--whether it was suspect grooming habits or ridiculously childish behavior--but let it slide. It's not that big of a deal. Except it totally was. You wanted to fall in love, but

ended up going insane. You swore you'd never do it again. But did. Don't beat yourself up. In the search for love, we've all either blatantly ignored or completely missed red flags. Instead, smarten up. It's time to figure out what you missed and learn how to avoid similar flagtastic fiascos in the future. If you raise your red flag awareness now, you'll be able to greenlight a real relationship down the road. "Nothing matters like relationships. In this practical book Stephen shares down-to-earth wisdom to help us protect, strengthen and restore them." - ROB PARSONS, Founder and Chairman, Care for the Family PASTOR GARY CLARKE, Lead Pastor, Hillsong Church London: "A great read for everyone, regardless your age or stage of life, as we all want meaningful, thriving relationships." Healthy relationships enrich our lives like nothing else We all want them and can have them if we embrace the principles explored by Stephen Matthew in this practical book. He unpacks the idea that nurturing and maintaining a healthy relationship is much like gardening. The soil of the relationship must be cultivated by rooting out any "weeds" that may threaten to stifle or kill the relationship in question. And it must also be nourished with appropriate relationship "feeds" to ensure fruitfulness and continued health. This life-affirming, positive book aims to strengthen and enrich all our relationships, keeping them healthy and strong. It is both positive - in that it focuses on relationship building - and it is preventative, because if we take the advice offered here, we can avoid the pain of major relationship dysfunction. Stephen's book will make you a better friend, husband, wife, mother, father, brother, sister, team member, business partner, leader, manager or employee. As a result, your life will enrich those you relate to and do them good too. Everyone wins when we build relationships God's

way. About the author: STEPHEN MATTHEW is a gifted Bible teacher and committed church builder. He is Senior Associate Pastor of LIFE Church Bradford, Principal of the LIFE Church Leadership Academy and the author of BUILDING CHURCH. Are you investing in the right people? Many people know the benefit of finding a sponsor--someone who goes beyond traditional mentorship to partner with a junior-level employee to help build their skills, advocate for them when opportunities arise, and open doors. But few realize that being a sponsor is just as important to career growth as finding one. According to new research from economist and thought leader Sylvia Ann Hewlett, senior executives who sponsor rising talent are 53 percent more likely to be promoted than those who don't. Similarly, middle-level managers who have proteges are 167 percent more likely to be given stretch assignments. Well-chosen proteges contribute stellar performance, steadfast loyalty, and capabilities that you, the sponsor, may lack, thus increasing how fast and how far you can go. But how do you find standout proteges, let alone develop them so that they're able to come through for you and your organization? This book has the answers you need. Combining powerful new data and rich examples drawn from in-depth interviews with leaders from companies such as Unilever, Aetna, Blizzard Entertainment, and EY, The Sponsor Effect provides a seven-step playbook for how you can become a successful sponsor. You'll learn to: Identify the right mix of proteges Include those with differing perspectives Inspire your proteges and ignite their ambition Instruct them to develop key skill sets Inspect your picks for performance and loyalty Instigate a deal, detailing the terms of a relationship Invest three ways and reap the rewards Along the way, you'll discover the enormous benefits of investing in these valuable relationships.
