Our Lord's Great Prophecy, and Its Parallels
Throughout the Bible, Harmonized and
Expounded

It has often been noted that the Protestant Reformation of the early sixteenth century witnessed a revived interest in the scriptural notions of prophets and prophecy. Drawing from both late medieval apocalyptic expectations of the immanent end of the world and from a humanist revival of biblical studies, the prophet appeared to many as a suitable role model for the Protestant preacher. A prominent proponent of this prophetic model was the Swiss theologian and church leader Heinrich Bullinger (1504-1575). This study by Daniël Timmerman presents the first in-depth investigation of Bullinger's concept of prophecy and his understanding of the prophetic office. It also engages with the history of the Zurich institute for the study of the Scriptures, which has become widely known as the »Prophezei«.

Studying Prophecy Can Change Your Life
Strengthen your faith and find real hope for the future in this extensive resource that provides concise answers to your most burning questions about Bible prophecy and the end times. Topics include everything from how to interpret prophecy to clarifying the perplexing specifics of the rapture, the antichrist, and the afterlife. Respected Bible scholar Ron Rhodes addresses questions many are asking, such as... Is it important that we be aware of the signs of the times? Do Christians agree about the role of America in Bible prophecy? Is there biblical evidence that the church will escape the tribulation period? Will only believers enter into Christ's millennial kingdom? In what way will the heavens and earth be made "new"? Whether you're looking for quick instruction or you're eager to go deeper, this accessible Q&A-style guide will help you navigate prophetic Scripture passages and better understand matters of eternal significance. Donald Gowan offers a unified reading of the prophetic books, showing that each has a distinctive contribution to make to a central theme. These books--Isaiah through Malachi--respond to three key moments in Israel's history: the end of the

Northern Kingdom in 722 BCE, the end of the Southern Kingdom in 587 BCE, and the beginning of the restoration from the Babylonian exile in 538 BCE. Gowan traces the theme of death and resurrection throughout these accounts, finding a symbolic message of particular significance to Christian interpreters of the Bible. In seven brief sections, *Biblical Prophecy* gives you an introduction to Bible Prophecy and an essential grasp of - *Hermeneutics of Bible Prophecy - Biblical Theological Foundations of Bible Prophecy - Prophecy in Old Testament - Prophecy in New Testament - Central Themes in Bible Prophecy - Theological Systems and Bible Prophecy* -- Turn here for exactly the kind of informative, easy-to-read overviews you're looking for. From theology, to biblical archaeology, to the life of Christ and more, each volume covers a topic of vital interest to Christians in handy, one-page bits of information. The Zondervan Quick-Reference Library is knowledgeable, fascinating, and helpful. It cuts time and hassle by taking you straight to the heart of the things you most want to know about Christianity -- one minute at a time. *Prophecy and History* examines the complex relationship between events prophesied in the Old Testament, and the coming of Jesus Christ as described in the New Testament Gospels. This book is a collection of twelve lectures which the author delivered over the course of several years. Each establishes a scholarly basis for the relationship Christ has with elements of the Old Testament,

the Pentateuch, and the Apocrypha and Pseudepigrapha. The Messianic concept is demonstrated to flow deep within many holy texts, and Jesus is shown to have been anticipated by several prophets who lived centuries before His birth. Authoritative and meticulous in his scholarship, Alfred Edersheim presents his arguments with a multitudinous annotations and frequent references to Biblical Scripture as well as the Talmud. Although his vocabulary tends toward the scholarly, Edersheim weaves a compelling narrative which is both challenging and rewarding for readers. *Everything You Wanted to Understand About the Book of Revelation Explained* If the final book of the Bible has ever left you scratching your head or wondering what to make of plagues and horsemen, your friendly Non-Prophet is here to help you read Revelation as never before. Full of engaging graphics, author and illustrator Todd Hampson has created a user-friendly guide to John's prophecies about the last days. This concise and appealing study removes the fear factor and demystifies the capstone book of the Bible provides biblical clarity about the key events in the end-times helps reclaim your hope, confidence, and joy in the promised future *The Non-Prophet's Guide™ to the Book of Revelation* offers informative study tools for understanding its prophecies, and practical challenges to apply God's truths to your life today. The Day of Judgment is nearer now than ever before. There's no better time to

understand the present in light of history's final outcome. Christopher Columbus returned to Europe in the final days of 1500, ending his third voyage to the Indies not in triumph but in chains. Seeking to justify his actions and protect his rights, he began to compile biblical texts and excerpts from patristic writings and medieval theology in a manuscript known as the *Book of Prophecies*. This unprecedented collection was designed to support his vision of the discovery of the Indies as an important event in the process of human salvation - a first step toward the liberation of Jerusalem and the Holy Land from Muslim domination. This work is part of a twelve-volume series produced by U.C.L.A.'s Center for Medieval and Renaissance Studies which involved the collaboration of some forty scholars over the course of fourteen years. In this volume of the series, Roberto Rusconi has written a complete historical introduction to the *Book of Prophecies*, describing the manuscript's history and analyzing its principal themes. His edition of the documents, the only modern one, includes a complete critical apparatus and detailed commentary, while the facing-page English translations allow Columbus's work to be appreciated by the general public and scholars alike. Want to know the future? The Bible offers a lot of insights into what is yet to come--and this book reviews those predictions and what they mean to you today. From the creator of *The KJV Study Bible, Bible Prophecy and You* is a fully illustrated reference for everyday

readers, not scholars. The first section, "Prophecies Fulfilled," describes predictions about Israel, other biblical kingdoms, and Jesus, all of which have been fulfilled and give us confidence in the Bible's trustworthiness. The second section, "Prophecies Pending," explains yet-to-be-fulfilled predictions about Israel and the end times, always with a view to what they all mean to you today. You'll be encouraged to watch attentively and live hopefully as the sure plan of God unfolds. A highly regarded expert on Jewish apocalyptic texts, John J. Collins has written extensively on the subject. Nineteen of his essays written over the last fifteen years, including several previously unpublished contributions, are brought together for the first time in *Apocalypse, Prophecy, and Pseudepigraphy*. After an introductory essay that revisits the problem of defining *Apocalypse* as a literary genre, Collins deals with a number of different topics, including the relationship between *apocalypse* and *prophecy* and the troubling ethical issues raised by *apocalyptic* texts. Collins also examines several specific examples to show the themes and variation present in the genre. Organized in five sections, these thematic essays complement and enrich Collins's well-known book *The Apocalyptic Imagination*. The book *Prophecy and the Doctrines of Grace* attempts to connect the two great biblical themes of *God's sovereign grace* and *His divine plan for the future*. It compares the views of both the reformed and dispensational camps, and how these

differences affect one's views of future things. Other doctrines such as *baptism*, the *Lords Day*, and *election* are explored. The book closes with a discussion of the *new heavens and the new earth* in *Revelation 21 & 22*. We have a great and loving God, whose love for us spans from eternity past to eternity future. We can say with Paul in *I Corinthians 2:9*, *Eye has not seen, nor ear heard, nor have entered into the heart of man, the things which God has prepared for those who love him*. Der Autor analysiert sechs Textabschnitte aus dem Maleachibuch, die Überschrift (Mal 1,1) und die Zusätze (Mal 3, 22-24). Der schöpferische Umgang mit Traditionen wird ebenso aufgezeigt wie die Auslegungstechnik des Propheten. Es werden Verbindungslinien zwischen Maleachi und Rechtstexten (Leviticus, Deuteronomium), frühen Prophetensprüchen, den Büchern der Chronik und der Weisheitsliteratur aufgezeigt. After a stunning encounter with God while lying lifeless on a dirty bathroom floor high on drugs, Andy Sanders started on a journey of discovering an intimate relationship with the God who was pursuing his heart. The author becomes transparent as he holds nothing back to share personal stories with revelations the Lord has shown him over the course of his life. Through dreams and visions, prophecies, and years of experience, come miracles and true revelation. This book accelerates the reader through years of revelation in mere moments- revelation gained through leadership, ministry, and

prayer. Learn what God is doing in our homes, churches and in the Earth- now and in the future. Discover that you are loved by a God that wants to reveal Himself to you. You are living in a time where prophecy is colliding with the revelation of God's Word. Discover the Things to Come. Bill Yount, Author of *I Heard Heaven Proclaim* raves, "Open the pages of this book and you will begin to see 'Things to Come' concerning your life and the nations. From the supernatural deliverance in Andy's own life to the divine interventions coming upon the earth, your faith will rise to assure you that there is a hope and a future even in perilous times ahead." Are we headed toward a global economic collapse? Financial markets are violently unstable worldwide, and the key benchmarks of financial health are rapidly getting worse. Christians know the Bible predicts a coming day when one person will take control of the entire global economy. But how will that happen? We may now have the answers. In fact, the biblical and technological evidence tells us that a cashless society and one-world economy are not only possible, but inevitable. Bestselling author Mark Hitchcock skillfully brings together current research and Bible prophecy to address these important questions: How is the stage being set for economic collapse and a cashless society? What technology will make this cashless world possible? How will the Antichrist control the world economy? What will happen to the people who face all this tumult and chaos? An eye-

opening survey of the ways that future events can impact our lives even today. Discovering Prophecy and Wisdom is an excellent introduction to the methodology and insights of biblical scholarship. This engaging book, examining the books of Isaiah, Job, Proverbs and Psalms, will provoke insightful dialogue and meaningful discussion for teachers, students, Bible Study Programs, Faith Sharing Groups or anyone asking mature questions about these books of the Old Testament. The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self. This important work on Prophecy and the Prophets in Ancient Israel is the product of an impressive international team of twenty-three outstanding scholars, most of whom are well-known, established names, while a few are able, younger scholars beginning to make their mark on the field. The volume approaches its subject from a remarkable number of different angles, with essays ranging from Israel's ancient Near Eastern background right through to the New Testament, but the majority of essays concentrate on Prophecy and the Prophets in the Old Testament. Particular attention is paid to the following subjects: Prophecy amongst Israel's Ancient Near Eastern Neighbours; Female Prophets in both Israel and the Ancient

Near East; Israelite Prophecy in the Light of modern Sociological, Anthropological and Psychological Insights; Deuteronomy 18.9-22, the Prophets and Scripture; Elijah, Elisha and Prophetic Succession; the Theology of Amos; Hosea and the Baal cu All the contributions, previously unpublished, arise from papers delivered at the Oxford Old Testament seminar. Naturally occurring DMT may produce prophecy-like states of consciousness and thus represent a bridge between biology and religious experience • Reveals the striking similarities between the visions of the Hebrew prophets and the DMT state described by Strassman's research volunteers • Explains how prophetic and psychedelic states may share biological mechanisms • Presents a new top-down "theoneurological" model of spiritual experience After completing his groundbreaking research chronicled in DMT: The Spirit Molecule, Rick Strassman was left with one fundamental question: What does it mean that DMT, a simple chemical naturally found in all of our bodies, instantaneously opens us to an interactive spirit world that feels more real than our own world? When his decades of clinical psychiatric research and Buddhist practice were unable to provide answers to this question, Strassman began searching for a more resonant spiritual model. He found that the visions of the Hebrew prophets--such as Ezekiel, Moses, Adam, and Daniel--were strikingly similar to those of the volunteers in his DMT studies. Carefully

examining the concept of prophecy in the Hebrew Bible, he characterizes a "prophetic state of consciousness" and explains how it may share biological and metaphysical mechanisms with the DMT effect. Examining medieval commentaries on the Hebrew Bible, Strassman reveals how Jewish metaphysics provides a top-down model for both the prophetic and DMT states, a model he calls "theoneurology." Theoneurology bridges biology and spirituality by proposing that the Divine communicates with us using the brain, and DMT--whether naturally produced or ingested--is a critical factor in such visionary experience. This model provides a counterpoint to "neurotheology," which proposes that altered brain function simply generates the impression of a Divine-human encounter. Theoneurology addresses issues critical to the full flowering of the psychedelic drug experience. Perhaps even more important, it points the way to a renewal of classical prophetic consciousness, the soul of Hebrew Bible prophecy, as well as unexpected directions for the evolution of contemporary spiritual practice. Three Secrets to Living Saturated in Gods Presence People are desperate to experience Godnot just at church or a special event but on a continuous, daily basis. Is this even possible? Patricia Bootsma, one of the key leaders of Catch the Fire Toronto, has made it her life goal to walk in a lifestyle of divine encountersand mentor you to do the same! Learn to access a consistent experience with the Presence of God by

combining three key elements: prayer, God's Living Word, and the prophetic. This incredible resource will empower you to Release the Power of Prophecy: Learn the benefits of living a prophetic lifestyle, keys to discerning true vs. false prophecy, and secrets to operating in the revelatory realms of dreams, visions and prophetic encounters. Experience the Living Word of God: Discover the link between Word and Spirit, activate the Scriptures through prayer, and experience joy in your Bible study as the written word comes to life. Activate the Force of Prayer: Experience powerful results from operating in different realms of prayersoaking, prophetic decree, praying in tongues, confession and petition. You never have to leave the Presence of God. Encounter Him in a fresh way today! Unprecedented natural disasters, political uprisings, and economic uncertainty: The Bible predicted it all. Now you can understand it—and know what's coming next. As we watch world events unfold, biblical prophecy becomes a subject of intense interest. Every Prophecy of the Bible brings clear answers to more than 1,000 key prophecies, backed with solid Scriptural evidence. Noted biblical scholar Dr. John F. Walvoord covers each prophecy from Genesis to Revelation, giving detailed insight into the many prophecies that have been fulfilled, as well as those that are still to come. By placing each event into historical context, the author gives insight into how the past, present, and future fit together to form an amazing, divine

design. An excellent reference guide for those seeking answers, this comprehensive book reassures readers that God's master plan is to be trusted and that the Bible is an accurate source of hope for all Christians. Victor Matthews, a veteran teacher and expert on the world of ancient Israel, introduces students to the Hebrew prophets and their social world. Drawing on archaeology and ancient Near Eastern texts, Matthews examines the prophets chronologically, placing them and their message into historical context. He explores pertinent aspects of historical geography, economic conditions, and social forces that influenced a prophet's life and message and explains why prophets served an integral purpose in the development of ancient Israelite religion. He also explores how prophets addressed their audience and employed rhetorical methods, images, and metaphors to communicate effectively. Logically organized, clearly written, and classroom friendly, this book meets the needs of beginning as well as advanced students. It is a substantially revised and expanded edition of the successful text *Social World of the Hebrew Prophets*. For anyone curious about prophecy and the signs of the end times, this book links the pieces of the prophecy puzzle in plain, simple language. There are 1,000 prophecies in the Bible so it's natural to wonder, have any prophecies been fulfilled? Do they really explain the future? Can we really know what will happen at the end of time? In succinct and clear answers to most

frequently asked questions, Dr. Jeremiah decodes and clarifies prophecy for the average person. He explains in simple lay terms what could otherwise be mysterious and even frightening, allowing readers to gain a balanced and assuring perspective of the significance of prophetic events to their personal lives as believers in Christ. He also helps readers understand how prophecy is directly related to world events today. Get the Who, What, When, Where, and Why of Bible Prophecy To the uninitiated, Bible prophecy can seem strange, puzzling, and even frightening—yet at the heart of this subject is an awesome revelation of God's wonder and might. *Basic Bible Prophecy* is a straightforward, clutter-free breakdown of what the Bible makes known about the future. With seasoned prophecy author Ron Rhodes as your guide, you'll get a big-picture overview of the essentials of Bible prophecy, complete with helpful charts and infographics. You'll understand the primary players, places, and events relevant to Christ's second coming timeline the Bible gives for when each event will take place sovereignty and trustworthiness of God, who has a perfect plan for your future *Basic Bible Prophecy* will help you view history past and still-to-come as a reason to live expectantly, righteously, and with a Christlike perspective. Most of all, you'll discover how prophecy can fill you with confidence, peace, and a heart of praise, grateful that all of eternity rests under God's control. From one of the world's most beloved Bible teachers comes

a timely, compelling, and comprehensive biblical interpretation of Bible prophecy, the end times, and the apocalypse viewed through the lens of current world events. Many Christians struggle to understand the Book of Revelation. "The end times." "The apocalypse." "The day of judgment." These terms are both fascinating and frightening - but what do they really mean? Drawing from decades of study, Dr. Jeremiah explains every key sign of the approaching apocalypse and what it means for you, including international, cultural, heavenly, tribulation, and end signs. With his engaging writing style and clear analysis of how current world events were foretold in the Bible, *The Book of Signs* is an encouraging guide to the Book of Revelation. In *The Book of Signs*, Dr. David Jeremiah offers answers to questions including: What does the Bible tell us about the future? How much can we understand about biblical prophecy and its application in our lives? What signs and signals will precede the end of everything as we know it? Which of those signs and signals have already come to pass, which are we experiencing now, and which are still to come? An epic and authoritative guide to biblical prophecy, *The Book of Signs* is a must-have resource for Christians seeking to navigate the uncertainties of the present and embrace God's promises for the future with a renewed sense of hope and purpose. An up-to-date look at unfulfilled Bible prophecy and current events, written by one of America's most recognized end times experts. A

startling exploration of the history of the most controversial book of the Bible, by the bestselling author of *Beyond Belief*. Through the bestselling books of Elaine Pagels, thousands of readers have come to know and treasure the suppressed biblical texts known as the Gnostic Gospels. As one of the world's foremost religion scholars, she has been a pioneer in interpreting these books and illuminating their place in the early history of Christianity. Her new book, however, tackles a text that is firmly, dramatically within the New Testament canon: *The Book of Revelation*, the surreal apocalyptic vision of the end of the world . . . or is it? In this startling and timely book, Pagels returns *The Book of Revelation* to its historical origin, written as its author John of Patmos took aim at the Roman Empire after what is now known as "the Jewish War," in 66 CE. Militant Jews in Jerusalem, fired with religious fervor, waged an all-out war against Rome's occupation of Judea and their defeat resulted in the desecration of Jerusalem and its Great Temple. Pagels persuasively interprets *Revelation* as a scathing attack on the decadence of Rome. Soon after, however, a new sect known as "Christians" seized on John's text as a weapon against heresy and infidels of all kinds-Jews, even Christians who dissented from their increasingly rigid doctrines and hierarchies. In a time when global religious violence surges, *Revelations* explores how often those in power throughout history have sought to force "God's enemies" to submit or be killed.

It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent, violence, and division in the world's religions, and to appreciate the lasting appeal of this extraordinary text. This original and fruitful approach to the study of the Prophets takes seriously the questions of both exegesis and hermeneutics. Christians sometimes approach the Old Testament with a mixture of awe and bewilderment, knowing that it contains pearls of wisdom, but unsure how to dive for them ... especially when it comes to the Prophets. In *The Message of the Prophets*, author J. Daniel Hays offers a scholarly, yet readable and student-friendly survey of the Old Testament prophetic literature that presents the message of each prophet in its historical and its biblical context and then tracks that message through the New Testament to challenge readers with what it means for them today. Hays focuses on synthesizing the message of the prophets, which enables students to grasp the major contours of the prophetic books clearly and concisely. Hundreds of colorful pictures help to illustrate the historical and cultural background of the prophets. After identifying what the message meant for ancient Israel, Hays helps the readers to move toward theological application today, helping readers to gain a better understanding of God and the relationship between God and his people. *The Message of the Prophets* is essential for professors, students, and others seeking to

understand the role that the OT prophets play in the Christian faith. For years Bible Prophecy teachers have consistently interpreted bible prophecy using a methodology that results in a maze of false predictions, speculations, and errors. What has been accepted as the traditional way of 'interpreting' bible prophecy has created an atmosphere of confusion for most students and laymen. Moreover, the majority of preachers, teachers, televangelists, and book authors today, have consistently redefined the term 'nations' as in governments, state, or country. However, the true biblical definition of the word nations, peoples, clans, tribes, or ethnic groups has been ignored and disregarded. And, it is by this definition that God deals with mankind. Unfortunately the vast majority of Bible Prophecy teachers use the substituted definition to interpret bible prophecy. Blurring the ability to know the 'who' and the 'why' of the prophecies, by diverting attention to the states, governments, or countries instead. As a result when the state (not nation) of Israel was reestablished in 1948, the Christian community proclaimed it to be a miraculous prophetic fulfillment. However the problem with this supposition is that the true biblical definition of 'nations' was completely ignored. The shocking reality is this, the current occupants residing in Israel today are not the true nation (people, tribe, clan, ethnic group) of Ysrael; and are not the sons of Abraham, Isaac, and Jacob as identified in the scriptures. The 1980 Jewish Almanac and the

Encyclopedia Judaica state that better than 95% of the Jews residing in the nation of Israel today, are of Ashkenazi or Khazar descent, and are not the Israelites of the Bible. So by substituting the biblical definition of nations with the new definition; prophecy teachers completely ignore the fact that the true nation (people, tribe, ethnic group) of Ysrael is not in the land! Shockingly 98% of all prophecy books on the market today consistently 'insert' the incorrect nation (people, Author of the "Prophets" series, Dr. Bill Hamon brings the same anointed instruction in this new series on apostles! Learn about the apostolic age and how apostles and prophets work together. Find out God's end-time plans for the Church! A ravishing medieval demon slayer arrives in twenty-first century New York to brave a strange new world - and a man who will be her destiny. The end times have seen a great amount of interest within the last two decades, but there hasn't been a comprehensive overview of biblical prophecy and eschatology for more than five decades. Mark Hitchcock's book is that comprehensive resource for the twenty-first century The End will do for eschatology what Randy Alcorn's Heaven did for people's understanding of heaven. It will provide a solid biblical foundation for Christians to explore the essential truths around this topic—the end of the world. Excerpt from Prophecy and the Prophets in Their Historical Relations The past few years have seen a revival of interest in the study of the

Scriptures. The unique place occupied by the Bible as a means of grace throughout the entire history of the Christian Church has again come to be recognized, and great numbers of old and young have taken up its earnest, devout, and systematic study. This study is by no means confined to the New Testament, for Christians are learning more and more that, while they find their loftiest inspiration in the study of the life, the character, and the teaching of the Master and of his disciples, the Old Testament has not been displaced by the New. The early Christians were right in placing the Old Testament by the side of the New, because the former is of inestimable value, and the earnest student soon finds that every part of the book is full of teaching that is of practical value even in the twentieth century A. D. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works. Taking a refreshingly original approach to a familiar topic, this authoritative study examines

the Biblical prophets and Jewish and Christian interpretations of prophecy. Beginning with a broad discussion of the phenomena of prophecy and the prophetic literature, Sawyer explores the work of Old Testament prophets, ranging from Moses to Huldah and Daniel to Malachi. In marked contrast to other studies, he pays particular attention to legends about the prophets, both canonical and apocryphal, many of which have been considerably more influential in the history of Western civilization than the prophets' original words. He concludes with a chapter on Jewish, Christian and Muslim interpretation and the matter of the fulfillment of prophecy. There is great hope and encouragement that come from studying the prophets and their prophecies about our day. Their inspiring messages give direction that point the way for anyone struggling or discouraged in these difficult and cloudy times. Prophecy and Modern Times is an arranged collection of prophecies from both ancient and modern prophets. A foreword by President Ezra Taft Benson sets the stage. Learn how to interpret and understand prophecy. Learn its purpose in your own life. Next, read about prophecies concerning America and Palestine, and see how ancient prophets foresaw events that we are living through right now. Lastly, read about the great prophecies of the return of Jesus Christ and how he will usher in a thousand years of peace, the great Millennium. Reviews Within these covers W. Cleon Skousen has brought together prophecies bearing on

modern times, which he discusses in an uncompromising and forthright manner. Every person interested in present and future events in this war-torn world will profit from a careful perusal of these pages. --President Ezra Taft Benson This release of "Prophecy and Modern Times" is timely, not only in its relevant content but also in the message it brings to the table. Skousen reveals his brilliance in his organization of such a monumentally complicated task. He suggests how to interpret prophecy, tells us its purpose and our responsibility to understand it. Skousen is masterful! --Gary D. Goodwin, Association for Mormon Letters Taking a refreshingly original approach to a familiar topic, this authoritative study examines the biblical prophets and Jewish and Christian interpretations of prophecy. Beginning with a broad discussion of the phenomena of prophecy and the prophetic literature, Sawyer explores the work of Old Testament prophets -- ranging from Moses to Huldah and Daniel to Malachi -- and pays particular attention to legends about the prophets, many of which have been considerably more influential in the history of Western civilization than the prophets' original words. He concludes with a chapter on Jewish, Christian, and Muslim interpretation, and the matter of the fulfillment of prophecy.
