The Great Controversy Between Christ and Satan: From the Destruction of Jerusalem to the End of the Controversy May 23 2020 "The Lord has shown me that Satan was once an honored angel in heaven, next to Jesus Christ. His countenance was mild, expressive of happiness like the other angels. His forehead was high and broad, and showed great intelligence. His form was perfect. He had noble, majestic bearing. And I saw that when God said to his Son, Let us make man in our image, Satan was jealous of Jesus. He wished to be consulted concerning the formation of man. He was filled with envy, jealousy and hatred. He wished to be the highest in heaven, next to God, and receive the highest honors. Until this time all heaven was in order, harmony and perfect subjection to the government of God."-Ellen G White

Remnants Nov 09 2021 Remnants is an exploration of our relationships with family and perception, told through a profound investigation of a father's life and sudden death. With various voices and hybrid forms--including dialogues, questionnaires, photographs, and dream documentation--Huyghebaert builds a fragmented picture of a father-daughter relationship that has been shaped by silences and missed opportunities. The reader attempts to untangle fact from fiction: multiple versions of Huyghebaert's father are presented while remnants of his life disappear achingly quickly. What is left of someone who was not important enough to be archived? How do we talk about what no longer exists? Winner of the Governor General's Literary Award for French-language fiction, Remnants asks essential questions we often only peer at from the corner of an eye; questions about the value of life in its duration and passing. This is a transcendent work, ideal for readers of Annie Ernaux, Sophie Calle, and Maggie Nelson. Praise for Remnants: "Le drap blanc is a mausoleum... built from fragments and miscellaneous moments. Words and actions that could have been different, smells, dreams and daydreams; retellings and family dialogues recounted as though in shadow play--she has collected it all here... Céline Huyghebaert brings us a book that leaves a striking, lasting impression." --Xavier Houssin, Le Monde des Livres (Le Monde, France)

The Leftovers Apr 14 2022 A startling, thought-provoking novel about love, connection and loss from the New York Times bestselling author of The Abstinence Teacher and Little Children. What if the Rapture happened and you got left behind? Or what if it wasn't the Rapture at all, but something murkier, a burst of mysterious, apparently random disappearances that shattered the world in a single moment, dividing history into Before and After, leaving no one unscathed? How would you rebuild your life in the wake of such a devastating event? This is the question confronting the bewildered citizens of Mapleton, a formerly comfortable suburban community that lost over a hundred people in the Sudden Departure. Kevin Garvey, the new mayor, wants to speed up the healing process, to bring a sense of renewed hope and purpose to his traumatized neighbours, even as his own family falls apart. His wife, Laurie, has left him to enlist in the Guilty Remnant, a homegrown cult whose members take a vow of silence but haunt the streets of town as "living reminders" of God's judgment. His son, Tom, is gone, too, dropping out of college to follow a sketchy prophet by the name of Holy Wayne. Only Kevin's teenaged daughter, Jill, remains, and she's definitely not the sweet "A" student she used to be. Kevin wants to help her, but he's distracted by his growing attraction to Nora Durst, a woman who lost her entire family in the tragedy, and is still reeling three years later, groping for a way to face the remainder of her life. Through the prism of a single family, Perrotta illuminates a familiar America made strange by grief and apocalyptic anxiety. The Leftovers is a powerful and deeply moving book about people struggling to hold on to a belief in their own futures.
